President J.W.T. Spinks

To the Graduates of 1965:

For the past few years the University Campus has been dominated by the word, "change" — changes in numbers, changes in buildings, changes in program. This last year has been no exception. As a matter of fact, we welcome these changes. The larger student numbers have enabled us to build up staff which has in turn led to a desirable increase in depth of program.

The opening of the Accelerator Laboratory, the establishment of a College of Veterinary Medicine and the appointment of a Dean of Residences were notable examples of this change in program, each helping in its own way to keep the University abreast with the times.

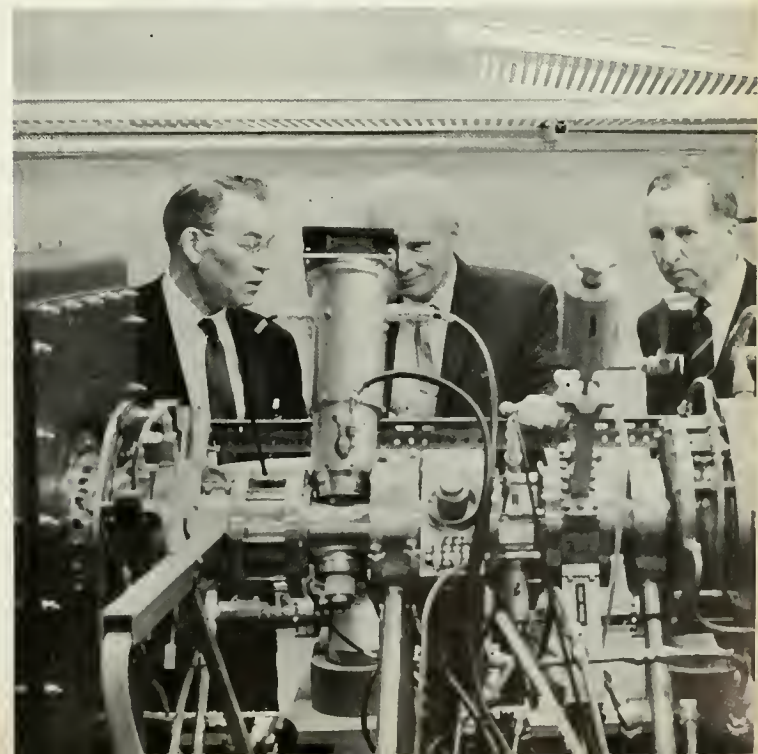

All in all, the University that you are about to leave continues to make progress. But if I might make an analogy to the voyagers of earlier days, we are no longer paddling in leisurely fashion over a pleasant lake, but we are being swept by the current along a rapidly flowing river, full of white water and hidden obstacles. The rate of progress is rapid, but strong arms, a sharp eye and a uniform purpose are required if the boat with its valuable cargo is to run the rapids safely.

As you leave the University, we wish you good luck and "bon voyage."

SRC President Walter A. Wawruck

Now that we are about to graduate and leave these familiar Greystone walls, we cannot help but look nostalgically back over the years we have spent here in work and study. We wondered, when we came as nervous, eager Frosh, what would happen in the years to come. Frosh week with its strenuous, exciting activities welcomed us to our new life. Graduation now bids us farewell and only memories of these years will remain.

These years have meant so much to us. Our lives have been enriched through associations with fellow students and faculty members, and through participation in clubs, socials, and that favorite of all classes — the Marquis Hall (previously MUB) class. There have been disappointments, but they have been small compared to the rewards we have received. We have learned to know ourselves — our capabilities and our limitations — and now we are mature individuals ready to take our place in society.

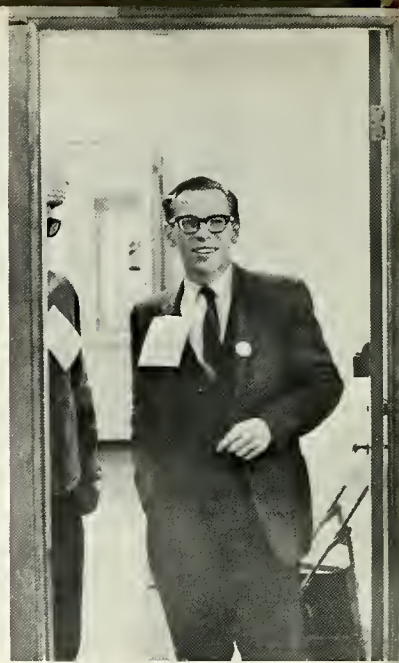

However, we cannot help but regret that the last year of our life here at university is over. We may return for a visit, but we will never again stand in line for books and registration at the beginning of the year; we will never again rush from the Library, or from Marquis Hall to our next class hoping that the professor will be late so that we can make it on time; we will never again see the welcoming lights of the Gym, or of Marquis Hall on a frosty night; nor will we sit within talking and laughing and smoking and drinking the famous cafeteria coffee.

Above all, our years here have provided us with a set of tools with which we can endeavor to build a secure future for ourselves and our country.

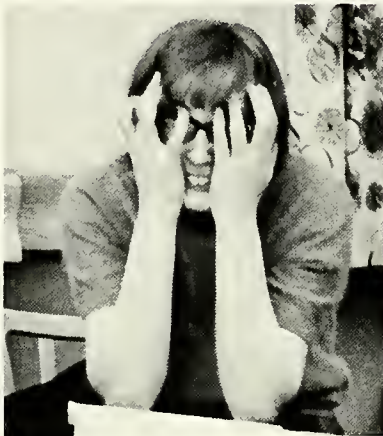

Saskatchewan has reason to be proud of her past graduates. Let her have reason to be proud of us too; and let us earn the respect and regard of our fellow citizens, and show that our years at university were well spent.

Deo et Patriae. Good luck to you all.

international students club

EXECUTIVE — STANDING, Left to Right: Isaac Baateng, Public Relation; V. Srinivas, Treasurer; B. Reddy, Social Director; Sann Iwin, Publicity; Fred Cheah, Sports.
SEATED: Helen Arnanan, Secretary; Margaret Ruse, Publicity; Nellie Lee, Vice-President; Mike West, President.

Our organization attempts to bring together the people on our campus who have come here from various parts of the world and tries to promote understanding and goodwill regardless of race, religion, nationality or political ideology.

The I.S.C. is thus the medium through which people of widely diverse backgrounds come into contact with one another and gain first hand knowledge of the problems, aspirations, and ideologies of the peoples of various cultures. In addition to developing close personal friendships, we learn to understand and respect the things for which other individuals stand.

The activities of the I.S.C. this year included an annual international tea (in the fall), an annual

international dinner and cultural programme (in spring) to which the people of Saskatoon and district were invited. In addition the following activities were organized by the club: steak roasts and picnics, dances, an annual Christmas party, talks and lectures, panel discussions and movies. There were also various sports, tours to places of interest, informal discussions and social gatherings.

On the first Sunday of every month, all international students were cordially invited to an "Open House" at the residence of Mr. and Mrs. Harrington, the patrons of I.S.C. Members were also hosted by the Saskatchewan Government at the opening of the Legislature.

biology club

SEATED, Left to Right: Ivy Fettes, Vice-President; Jim Mackie, President; Janet Paul, Secretary.
STANDING: Sharon Vaughan, Treasurer; Ross Lein, P.R.O.; Doyle Bawman, Social.
MISSING: Lynn Treen, Howard Giles, Social Committee.

The Biology Club is, perhaps, one of the oldest organizations on campus. It was formed in 1932 by a group of students and professors interested in the Biological Sciences. The aims of the club are to create and maintain interest in all phases of the Biological Sciences among students of Biology and all others interested, and to act as a liaison between the students of Biology and the faculty.

Membership in the Biology Club for 1964-1965 was about one hundred and twenty. The Club organized parties and social evenings of curling and bowling. In addition to being active in social activities the Club contributed books to the Biology Library, sponsored guest speakers and a panel discussion, assisted in a Biological career night, and provided Biology films for noon showings of the Tri-Sci Film Society. The annual Banquet and Dance held at the Saskatoon Golf and Country Club brought the year's activities to a close.

gamma delta

Gamma Delta, an international association of Lutheran students sponsored by the Lutheran Church — Canada (Missouri Synod), embodies its aims in its name: Gamma signifies GNOSIS and means Christian KNOWLEDGE; Delta signifies DIAKONIA and means Christian SERVICE. The local chapter, Eta Alpha, has its headquarters at Luther House, 1126 Temperance.

This year's growth in Christian knowledge and equipment for Christian service centred in weekly Sunday evening studies of the Biblical basis of the doctrines confessed in the Apostles' Creed, bi-weekly noon hour campus presentations, and twice weekly evening Vespers. The chapter hosted a Thanksgiving weekend retreat and was represented at the regional convention in Seattle, Washington.

BACK ROW: David Boesch, Social; Arthur Barth, Membership; Elroy D. Mann, Publications.
FRONT ROW: Edna Stuehler, Secretary; Albert Lutz, President; Richard Schick, Treasurer.
MISSING: Barry Mitschke, Education; D.C. Appelt, Faculty Advisor.

VE5US

Doug Freestone, Vice-President; **Peter Miller**, President; **Denis Coolican**, Secretary-Treasurer.

The University of Saskatchewan Amateur Radio Club, VE5US operates for the benefit of all university students. The ham club has been in operation for nine years and is increasing in membership every year. Since amateur radio is a world wide hobby all services are provided free of charge.

On campus the Amateur Radio Club is located in the penthouse of the engineering building. Here in this friendly atmosphere you will find people willing to explain all concepts of ham radio.

Classes in Morse Code and basic theory, which lead to acquiring an amateur radio licence, are given by the club. The club keeps regular schedules with other universities across Canada. At this time traffic (messages) is sent and received from students or parents across Canada. Numerous students come up to the hamshack and speak to their parents or friends in Saskatchewan or any place in Canada.

The equipment in the hamshack is available to all amateurs. A portion of this equipment is available to new members who are learning about amateur radio. Take advantage of having an amateur radio station on campus and let us help you to obtain your amateur licence. We guarantee that you will never regret it.

varsity christian fellowship

FRONT ROW: Bonnie Milne, Membership Sec.; Phil Scholm, First Vice-President; Fred Mulder, President; Rosalie Bader, Secretary.
BACK ROW: Ross Dowson, Bible Study Convener; Alf Huebert, P.R.O.; Dan Jones, Prayer Secretary; Courtney Milne, Treasurer; Ed Neufeld, Missions' Secretary.

MISSING: Walt Regelve, International Students' Secretary; Don Neilson, Social Convener; Doug Wiebe, Second Vice-President.

Varsity Christian Fellowship began on campus in 1946 and has expanded constantly since then. Its purpose is to provide university students with an opportunity to discover the meaning of the Christian faith, in the person of Jesus Christ, and to integrate this faith with the social and academic university situation. Activities organized toward this purpose include Frosh Welcome, camps, Banff Christmas, numerous social events, noon meetings, and informal Bible studies.

b'nai b'rith hillel

FRONT ROW: E.J. Frank, Secretary; E.M. Gordan, President; Karen Lifshen, First Vice-President.
BACK ROW: M.T. Landa, Second Vice-President; D.M. Brans, Treasurer.

The purpose of the B'nai B'rith Hillel Foundation is to provide the Jewish University student with a link with his faith. Hillel is concerned with the educational, spiritual, and social needs of the student. The program is geared to allow the individual student to choose those aspects in which he wishes to participate.

The B'nai B'rith Hillel Foundation was opened at the University of Saskatchewan in 1945. It is one of about 250 Hillel Foundations on campuses throughout Canada and the United States. It is closely affiliated with the parent B'nai B'rith lodges throughout the world.

ore gangue

BACK ROW: D.W. Hersak, Vice-President; R.W. Kipling, Social Director.
FRONT ROW: A.J. Spooner, Secretary; J.E. Wyder, President; H.L. King, Treasurer.

The "Ore Gangue," founded in 1934, is the students' geological club at the University of Saskatchewan. Active membership is open to any registered of the U. of S. who is interested in geology, geophysics, hydrology, mining or petroleum engineering. Meetings are held once a week in room C-130 of the Engineering Building.

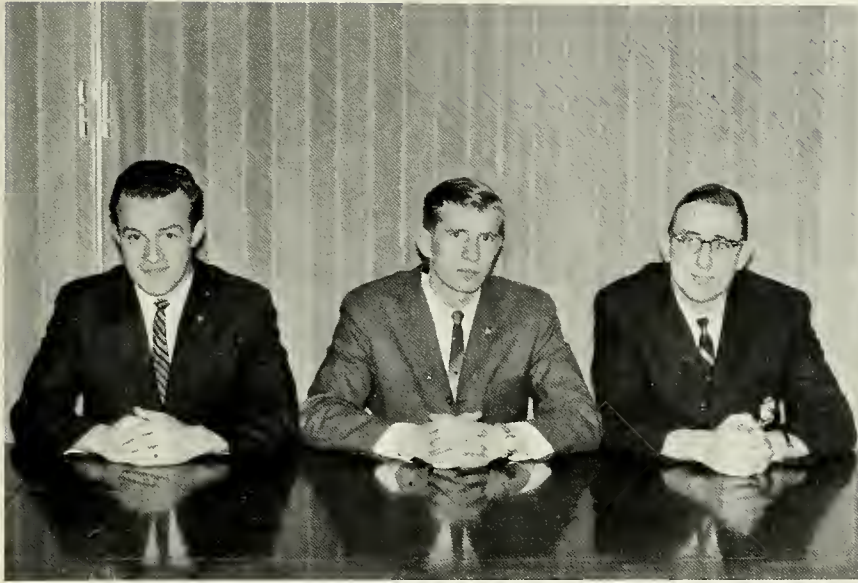

Social and sporting activities play a prominent part in the life of the Ore Gangue. Social activities include two annual banquets and post sporting activities parties. Sporting activities include hackey, curling, and bowling.

Other club activities include: a bi-weekly column in the Sheaf, weekly noon hour films, photography contest, field trips, and the publication of the "Concentrates," the club's annual.

This year the "Ore Gangue" hosted the first annual Western Inter-University Geological Conference. The conference was a success and did much to improve student-university and student-industry relationships.

e.i.c.

LEFT TO RIGHT: Dwight Blakley, Program Con-
vener; Ralph Gienaw, Chairman; Dale Francis,
Secretary-Treasurer.

The E.I.C. is the national voluntary technical organization of Engineers. It is a non-profit, learned society with more than 22,000 members in all parts of Canada. These members are organized geographically in 60 Branches and two Sections from Newfoundland to Vancouver Island, from Windsor to the Yukon. Founded in 1887 as the Canadian Society of Civil Engineers, its name was changed in 1918 to the Engineering Institute of Canada in recognition of the ever-broadening character of the profession.

The Institute is concerned with the advancement of engineering in Canada. To perform its functions the Institute publishes a monthly news-technical magazine, "The Engineering Journal," which reaches not only its members, but almost every other person in the engineering field in Canada, totalling nearly 42,000.

Membership in the Institute is voluntary, and this membership does not convey any legal right to practice engineering. However, it is only by membership and participation in the activities of technical societies such as the E.I.C. that engineers may be kept fully informed with the rapid advances and changes in science and technology.

obnova club

FRONT ROW: Terry Dudar, Treasurer; Carrie Saboal, Secretary; Paul Kyba, President; Joyce E. Chyrski, Social Committee Chairman; Jim Chabatuk, Social Committee Chairman.

BACK ROW: Paul Skakun, Supervisory Committee; Ben Zuber, Presiding Jurer; Lorraine Kozak, Corresponding Secretary; Larna Nakanechny, Presiding Jurer; Dave Tkachuk, Social Committee, Peter Tomashewski, Supervisory Committee.

MISSING: Meril Nakanechny, P.R.O.; Irene Hawryluk, Archivist; Donna Soranchuk, Librarian; Eugene Pantella, P.R.O.; Marge Oleksuk, V.P.

The Obnova Club is an organization of Ukrainian Catholic students on campus. The aim and purpose of the club is to preserve cultural and religious aspects of the Ukrainian tradition. The motto of the club is "To renew all things in Christ."

To attain this objective the club has communion breakfasts, promotes Ukrainian folk dancing and singing to its members. Social evenings are held throughout the year for entertainment. Bowling, public speaking, and debating are also popular with the members.

The Obnova Club headquarters are located at Sheptytsky Institute, corner of College and Wiggins, across the street from the campus.

newman

FRONT ROW: Jaan Galvin, Vice-President; Robert L. Stevenson, President; Fr. Mantague, Chaplain.
BACK ROW: Elaine Duperreault, Co-Social; John Florek, Treasurer; Jan Thurmeier, Secretary.
MISSING: Keith Boyles, Social.

The spirit of the Newman Club is summed up in its motto, COR AD COR LOQUITUR — "Heart speaks to heart." The Club is a dynamic, friendly centre of Catholic students on campus which takes as its objective the development of the well rounded person. Its activities are varied to accomplish this end.

They include everything from a co-operative lunch service — Ulcers Inc., a Glee Club of 60 members, to an enthusiastic and excellent drama society — the Newman Players. Courtesy of the staff of Saint Thomas More College, the Newman clubrooms are located throughout the entire ground floor of S.T.M. and are comprised of a chapel, an auditorium and stage, a busy music room, and an everfull cafeteria. There is usually some free Newman coffee in the kitchen and invariably some amiable Newmanite to share it with over a lively discussion.

Every Newman activity integrates the 3-fold purpose of the Club — the intellectual, the spiritual and the social. The weekly Sunday Communion Breakfasts exemplify this well. Following the student's Mass, Newman Members gather in the cafeteria for a light repast; the high point of the breakfast comes in the person of a guest speaker, whose topic may range anywhere from, "The Mirror of Books," to "Concepts Underlying Internationalism."

There is really a "home-like" atmosphere about the Club. The door is always open. Why not drop in sometime?

Spiritual

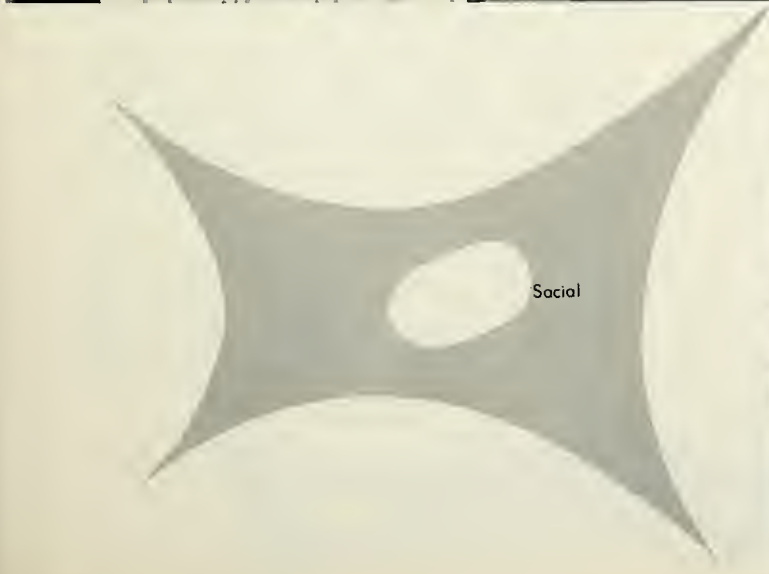

club

Newman Glee Club

Intellectual

alpha omega society

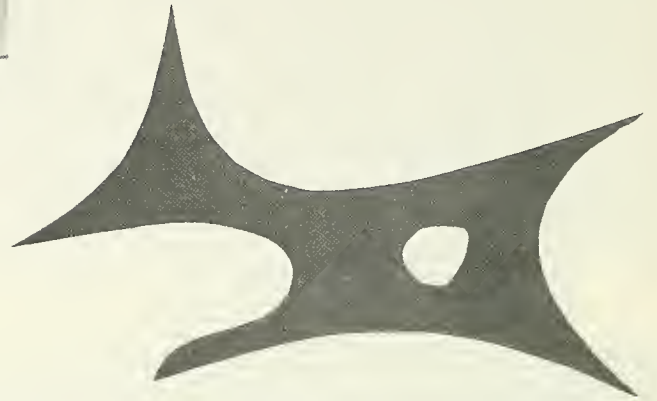

FRONT ROW: Virginia Skwarchuk, Secretary; Lawrence Parchewsky, Treasurer; Marusia Bayda, President.

BACK ROW: Tess Derkach, Cultural Convener; Tam Barsa, P.R.O.; Lesia Talpash, Sandra Darcovich, Co-Membership.

MISSING: Iris Bayda, Vice-President; Walter Kyliuk, Historian.

The Alpha Omega Society is a non-sectarian and non-political organization whose primary purpose is to promote the study and appreciation of Ukrainian culture as a contribution to Canadian cultural development.

This year we have endeavored to fulfill this purpose by sponsoring lectures, panel discussions, buzz groups, readings, and music sessions. Also, in conjunction with Obnova and Kamenari, a Ukrainian Opus was presented. Lastly, our prize-winning float in the Home Coming Parade provided the society with tangible success.

s.a.e.

Denis Coalican, Vice-President; **Clinton Braughtan**, President; **Prof. O.L. Symes**, Faculty Advisor; **Gerald Attwater**, Secretary-Treasurer.

Contrary to popular belief, the Society of Automotive Engineers is not concerned only with the automobile industry but with all forms of mechanical transport. Though most people know the society only through the letters S.A.E. stamped on cans of oil, the society is instrumental in setting standards throughout the transportation industry.

The Saskatchewan student branch was granted a charter on the 14th of June, 1958 with Professor O.L. Symes as faculty advisor. It is largely due to his efforts that the club has enjoyed the great measure of success it has had this year and we are very grateful for his help.

The purpose of the student branch is to provide young engineers with the opportunity of professional association as well as having a good time at the branch sponsored road rallies, and other functions. This does not limit the membership to engineers; however, and anyone interested is very welcome.

l.s.m.

FRONT ROW: Rev. D.D. Christensen, Advisor; R.K. Meier, Treasurer; Thelma Riekert, Secretary; Art Wushke, President; Don Engel, Vice-President; Walter M. Goos, Chaplain.
BACK ROW: Prof. P. Riemer, Advisor; Ernie Poetsch, Stewardship; Margaret Frydenlund, Avenue "A" Campus Rep.; Marilyn McCauley, Education; Dianne Kaldor, Social; Jean Seymour, Service; Bob Byhre, Evangelism; Doug Ast, Fresh Rep.
MISSING: Elaine Melby, Service Co-Chairman; Ken Herfindahl, Worship Chairman.

The Lutheran Student Movement is an autonomous organization comprised of Lutheran students. The purpose of the Movement is to interpret the Gospel in new and more meaningful ways and by so doing, present Jesus Christ as Lord and Savior to the students on the Campus. The L.S.M. hears what the unbelieving have to say and interprets the Gospel to the questioning and seeking unbeliever. The entire program of the Movement is designed to meet the varied interests and needs expressed by the students on the Campus. Some of the activities of the program are noon meetings, firesides, speakups, and socials.

s.u.n.a.c.

This year a group known as the Student United Nations Association in Canada (SUNAC) was formed on campus. It is affiliated with the United Nations Association and the International Student Movement for United Nations. Two major aims of SUNAC are to promote understanding of International problems and to provide a body of Canadian students actively interested in world co-operation.

In general, SUNAC provides a forum for all shades of opinion on international affairs, whether or not these are favorable towards the UN as a constructive force for peace. SUNAC members try to develop an insight into world affairs as a basis for intelligent evaluation of current events.

FRONT ROW: Professor D. Colwyn Williams, Faculty Advisor; Don Barker, President; Margaret Farmer, Secretary.
BACK ROW: Marjorie Setko, WUSC Rep.; Scott Wilson, Member; Wayne Zimmer, PRO; Margaret Williams, Program Director.

greystone singers

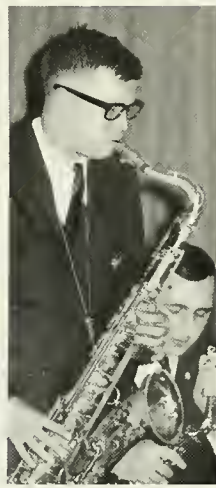

This year the University of Saskatchewan Greystone Singers completed another rewarding and exciting term under the direction of Professor Robert J. Solem. In December they presented a program of Christmas music on television and sang at the Memorial Union Christmas Stocking, the University Christmas Festival Concert, and the Saskatoon Christmas Carol Festival. In February, the Singers toured Southern Saskatchewan and gave concerts in Gull Lake, Hazlet, Maple Creek, Moose Jaw and Regina.

For the first time the Greystone Singers made a long play recording which includes music from Palestrina to contemporary folk songs.

This spring the Greystones participated for the third year in a series of exchange concerts between them and the University of Alberta Mixed Chorus. In early April, the Singers performed Bruckner's Te Deum when they appeared as guest artists of the Saskatoon Symphony Orchestra. The enthusiastic response following these concerts prompted the group to consider travelling into western Saskatchewan on a spring tour after final examinations.

...women too

In the past, The Greystone color section has dealt with the aesthetically pleasing side of the campus and its activities. This year we will depart from this pattern and look at one facet of the campus, the sciences, in detail. We will see some of the strikingly beautiful and colorful subjects in this field, as we examine...

Beauty and Science

*a
Photoessay
by
Len
Fertuck*

Nature reveals her beauty to us in many ways, and the scientist, whose job it is to investigate, analyse and dissect her has an exceptional opportunity to see nature in all her many manifestations.

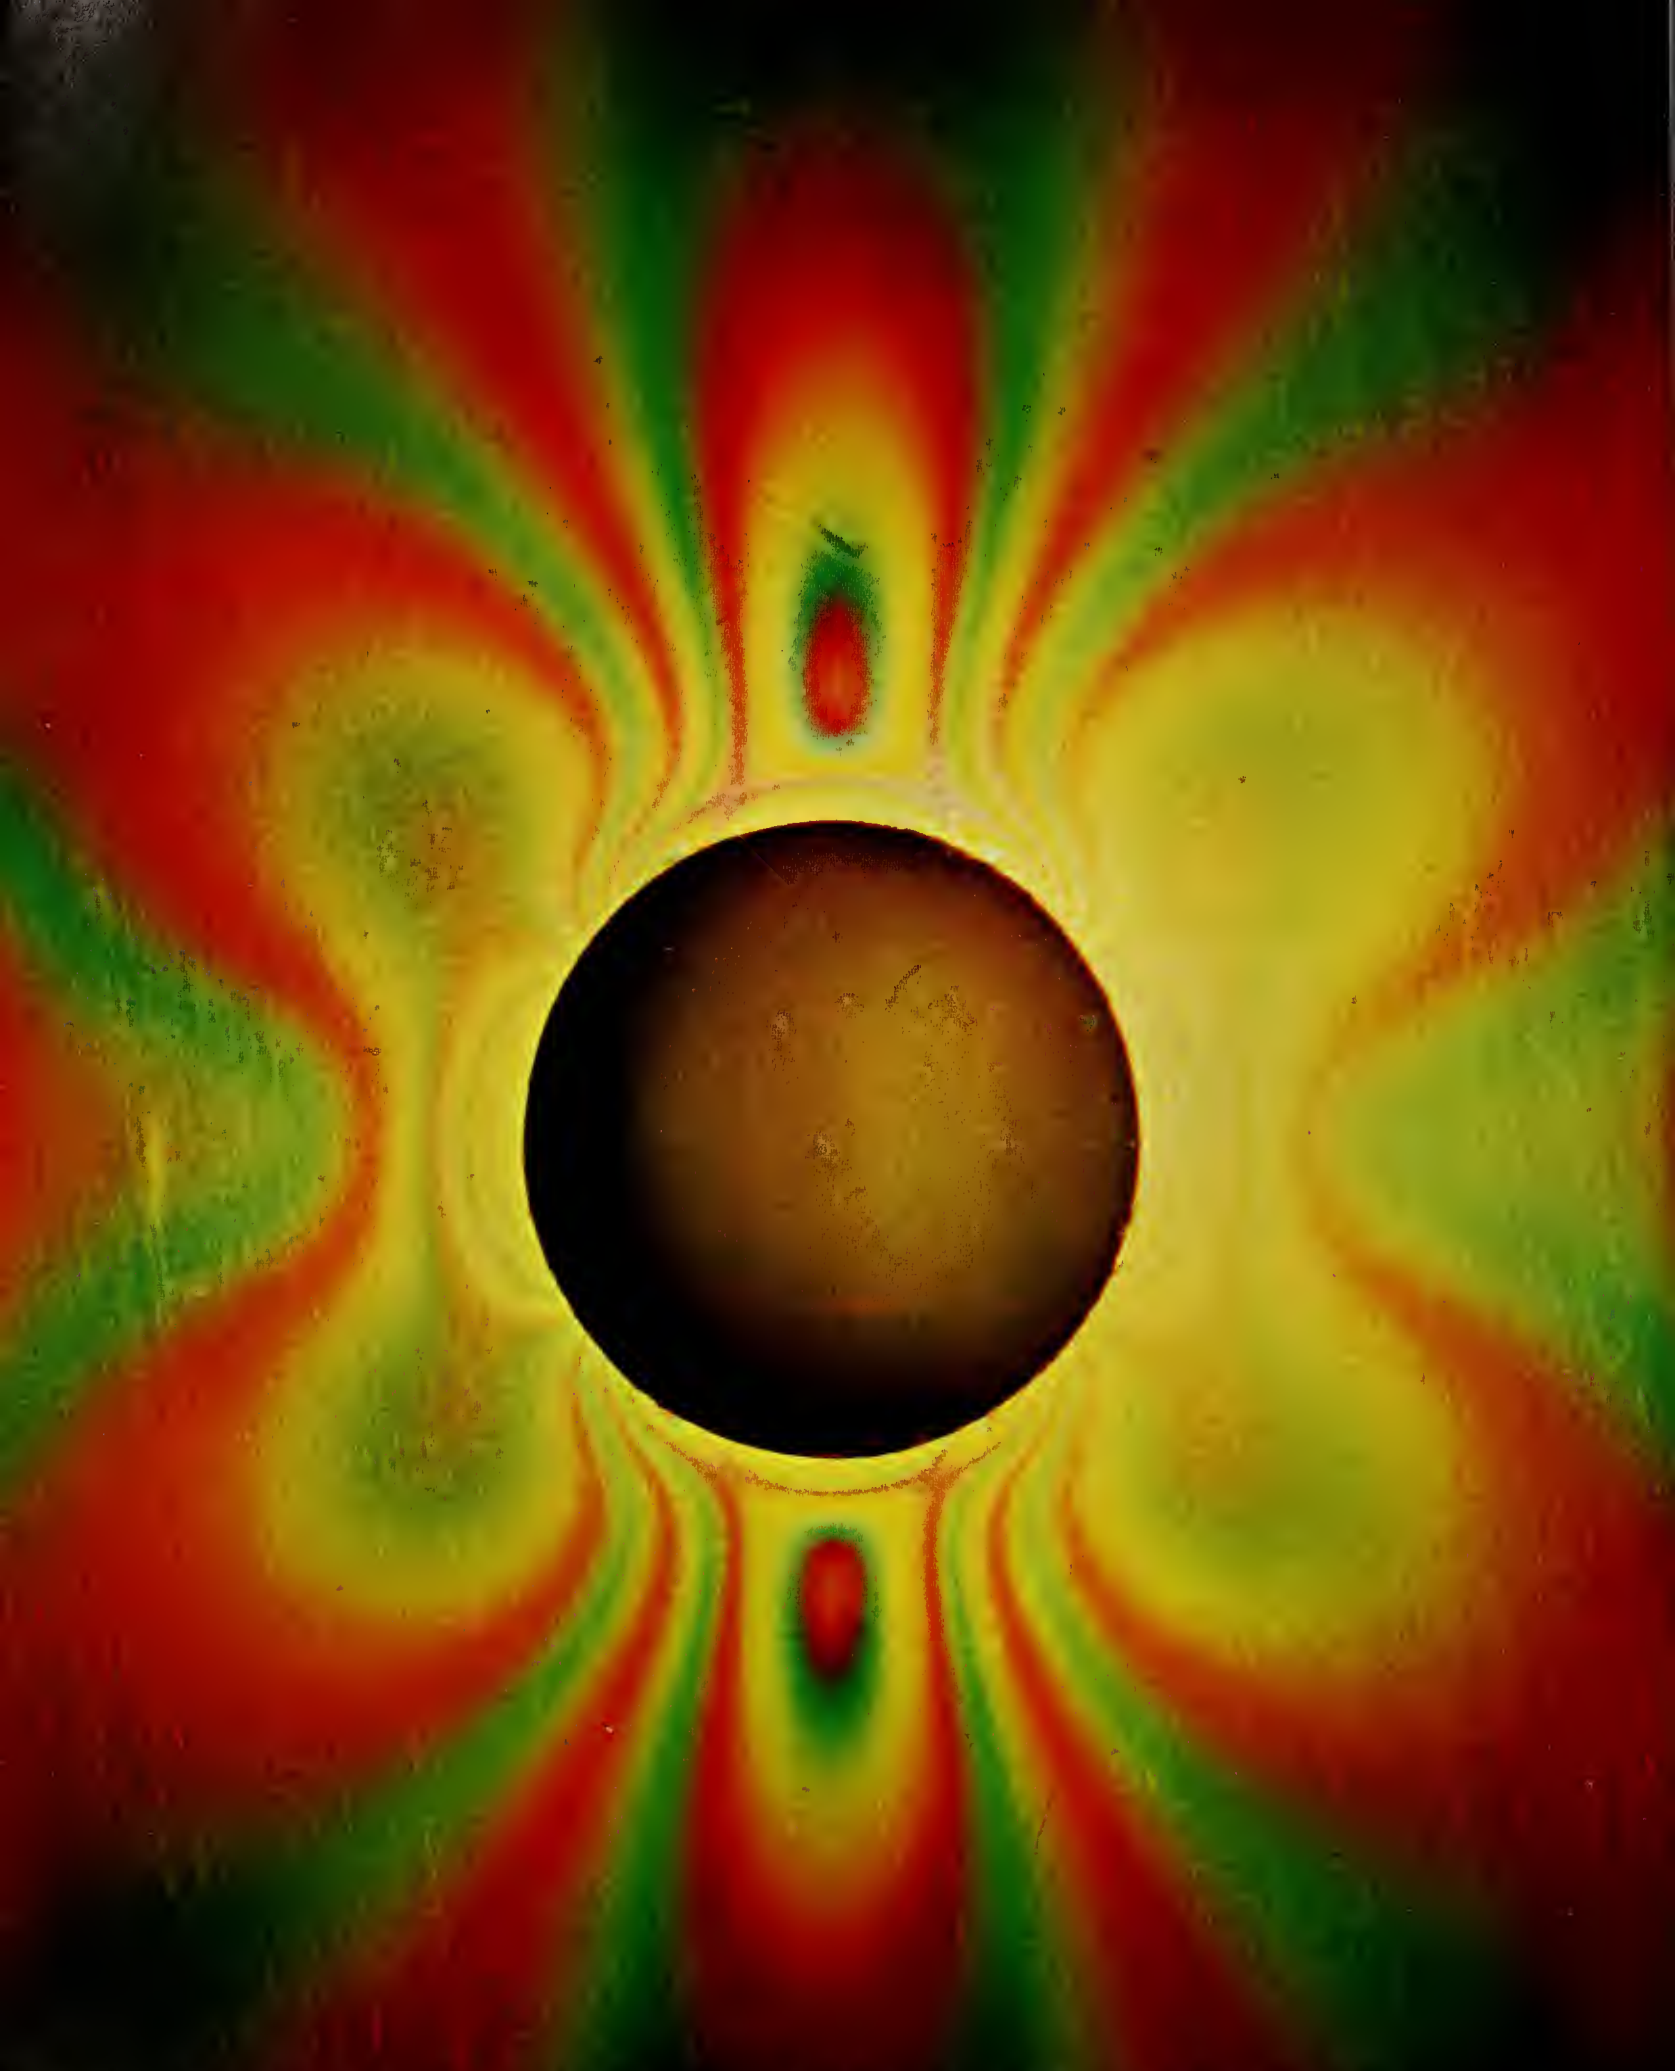

Discharge pattern produced in lucite by Van de Graaff generator

He sees beauty in nature both during destruction . . .

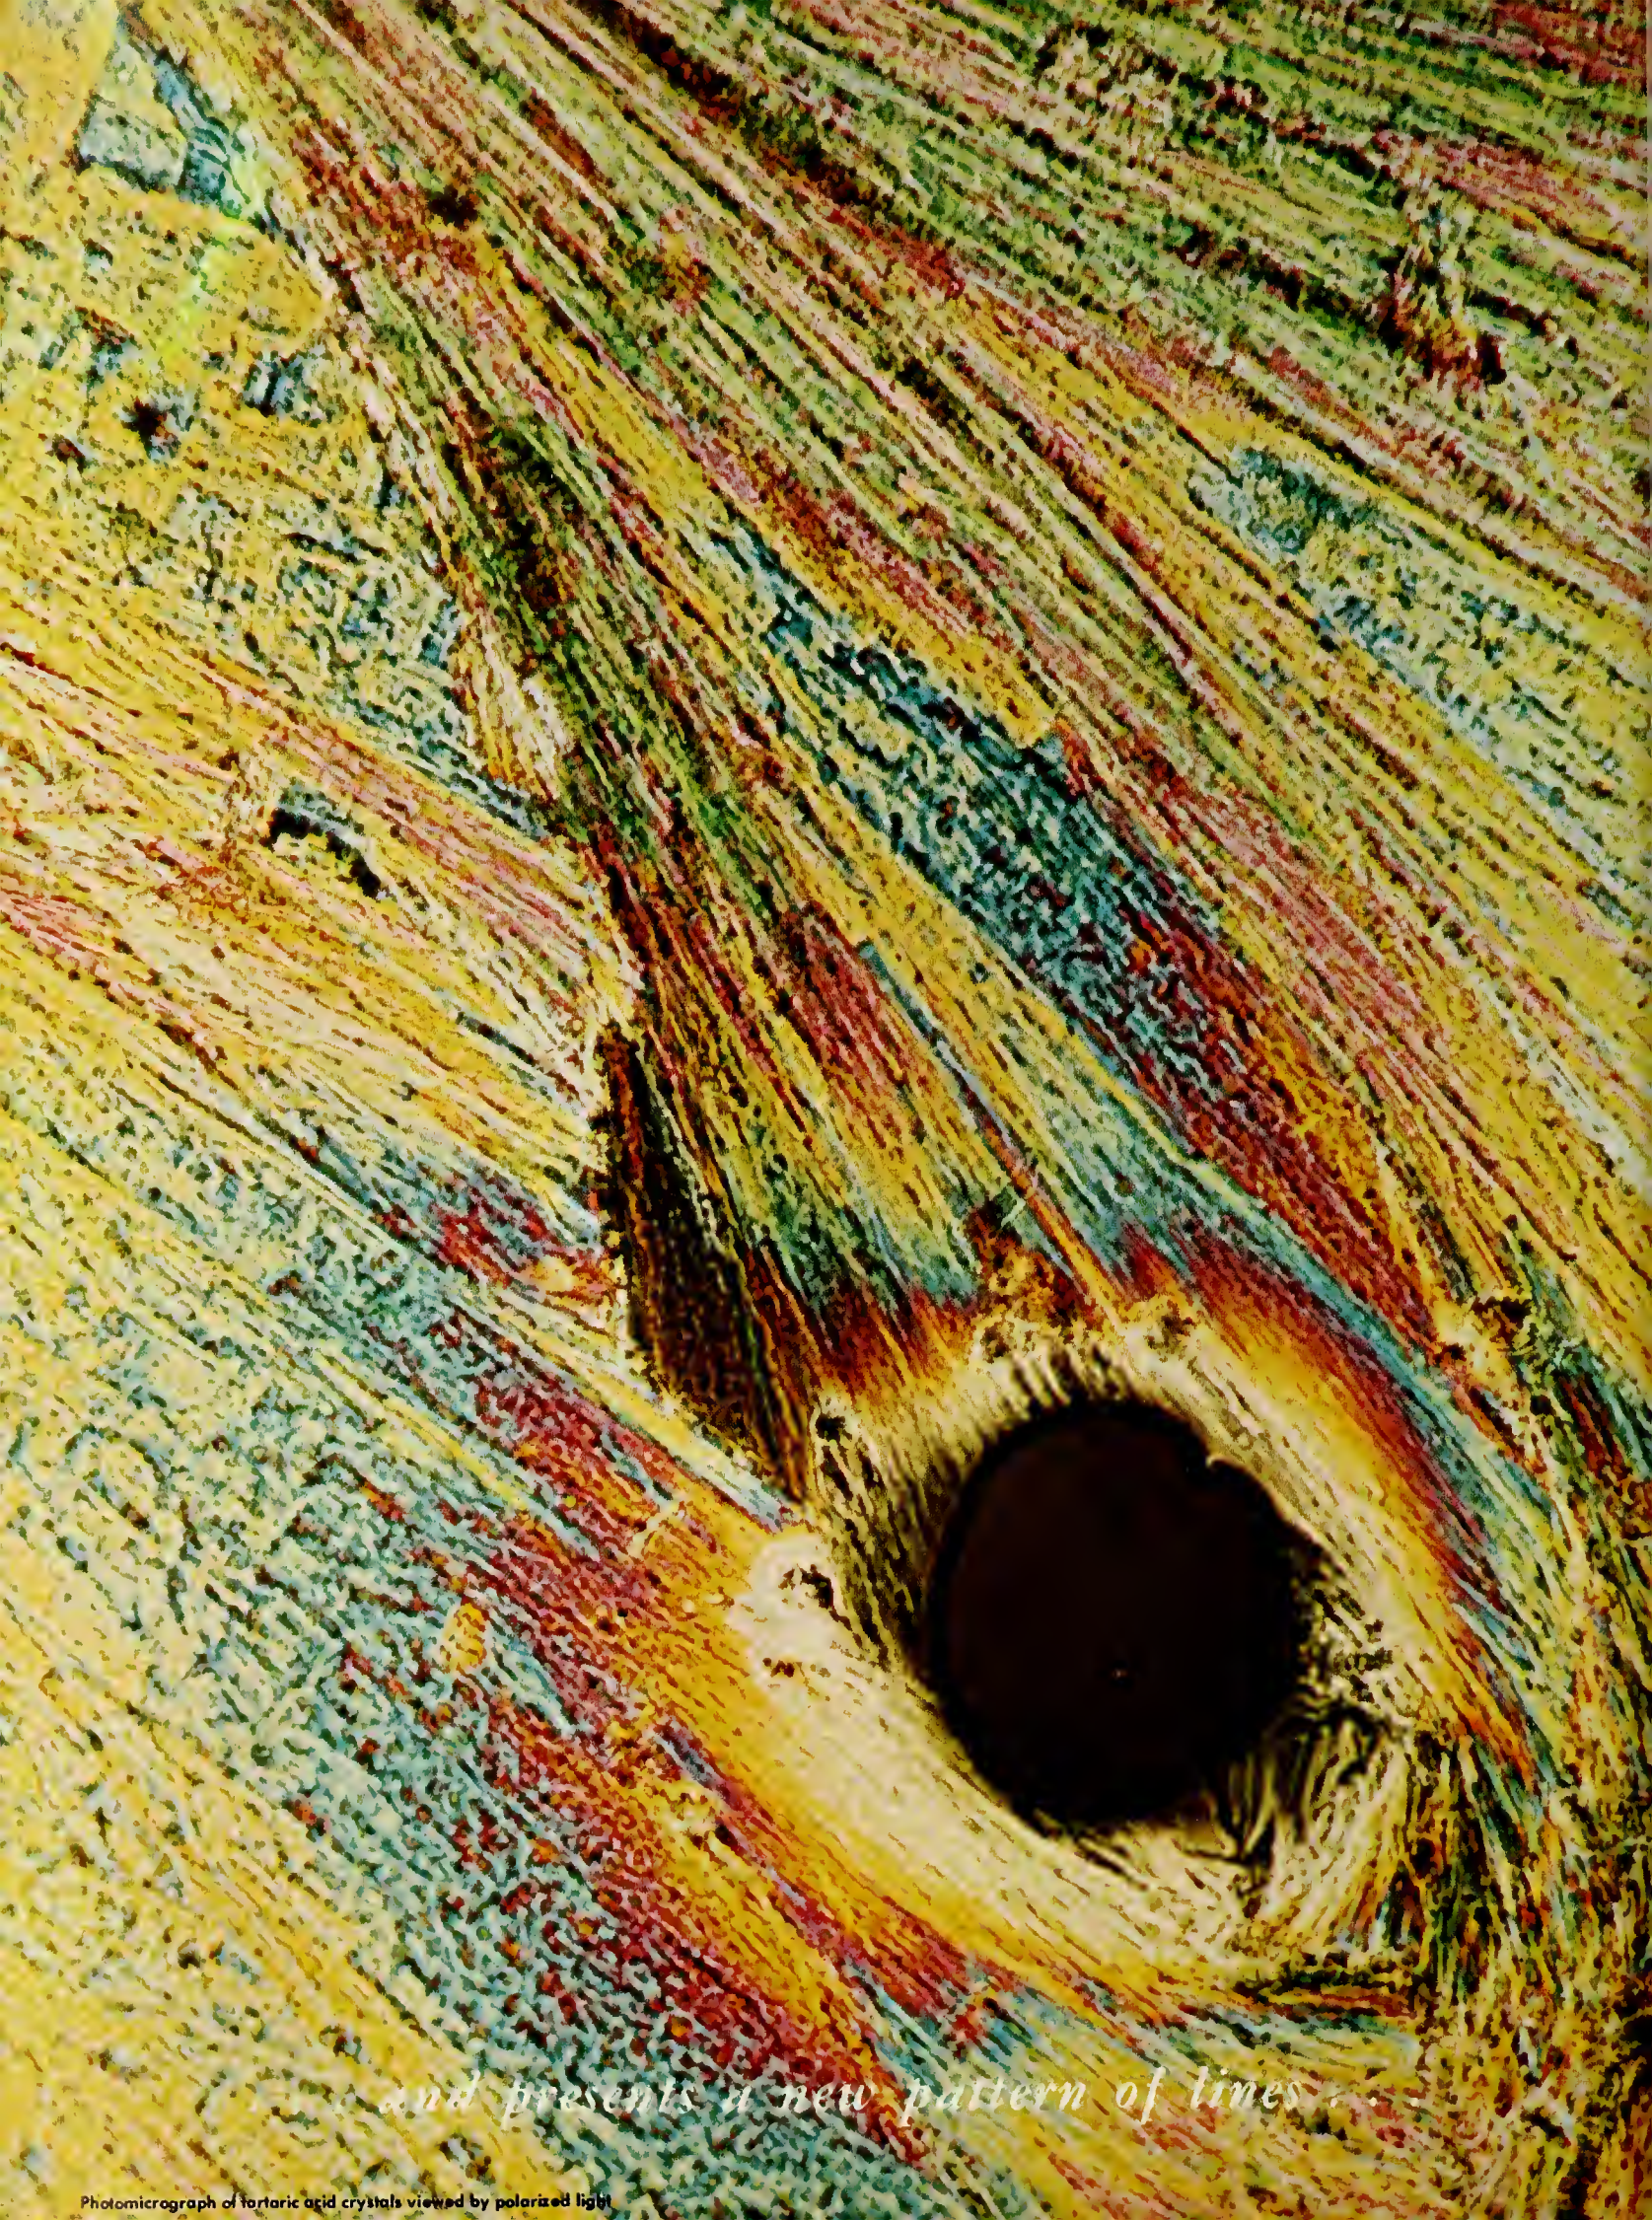

...and creation.

Nature reveals her surprises in the laboratory . . .

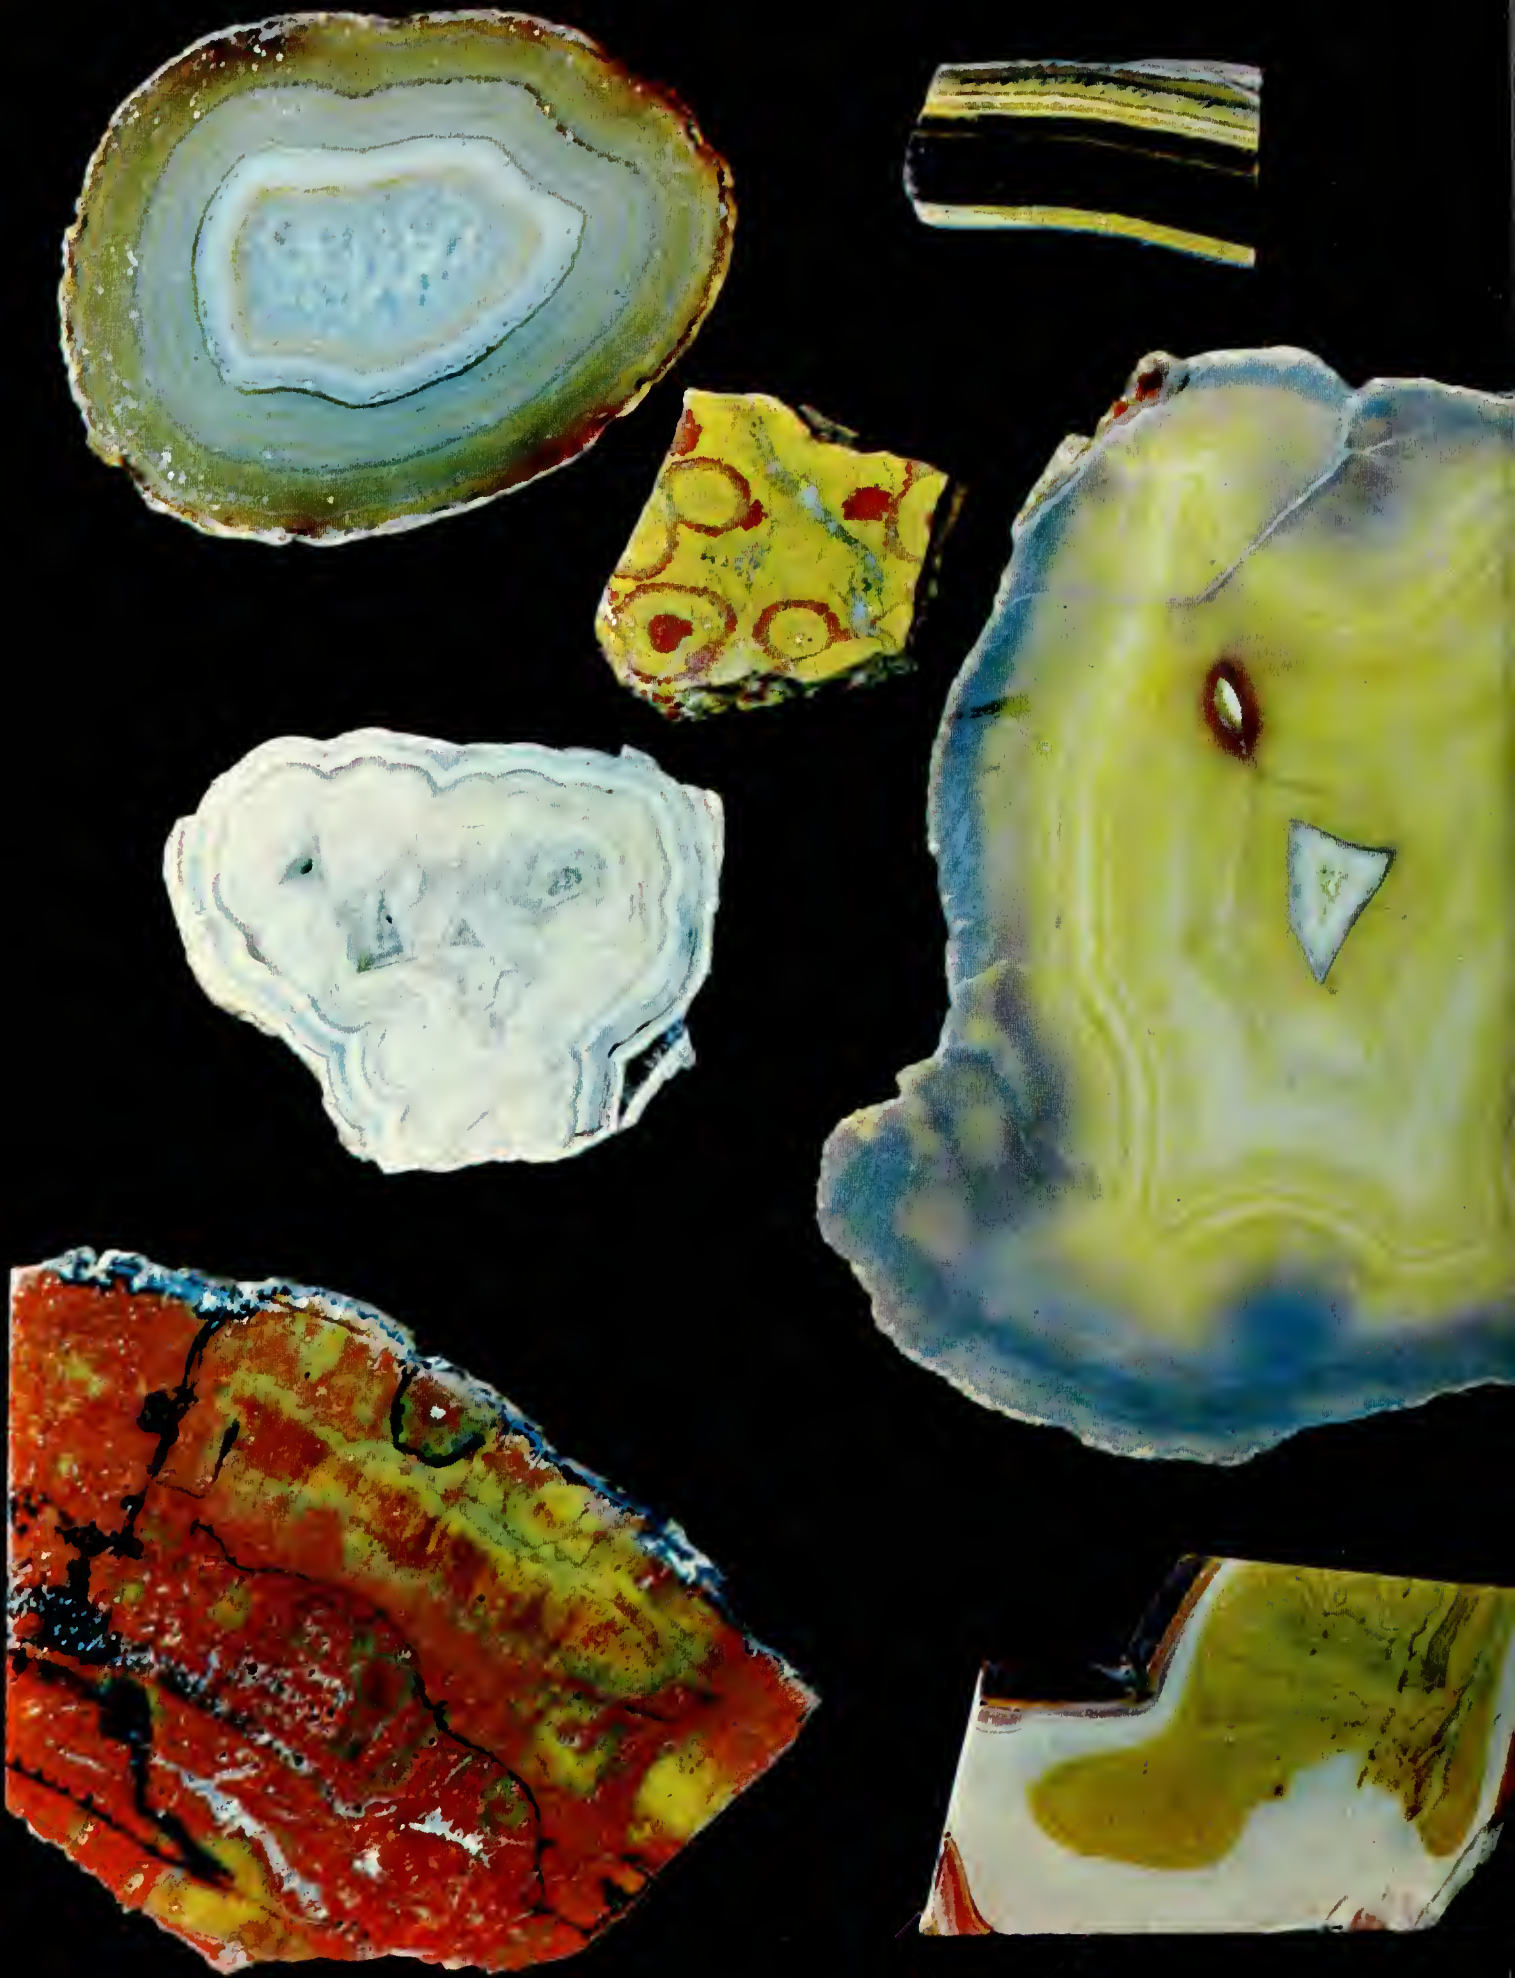

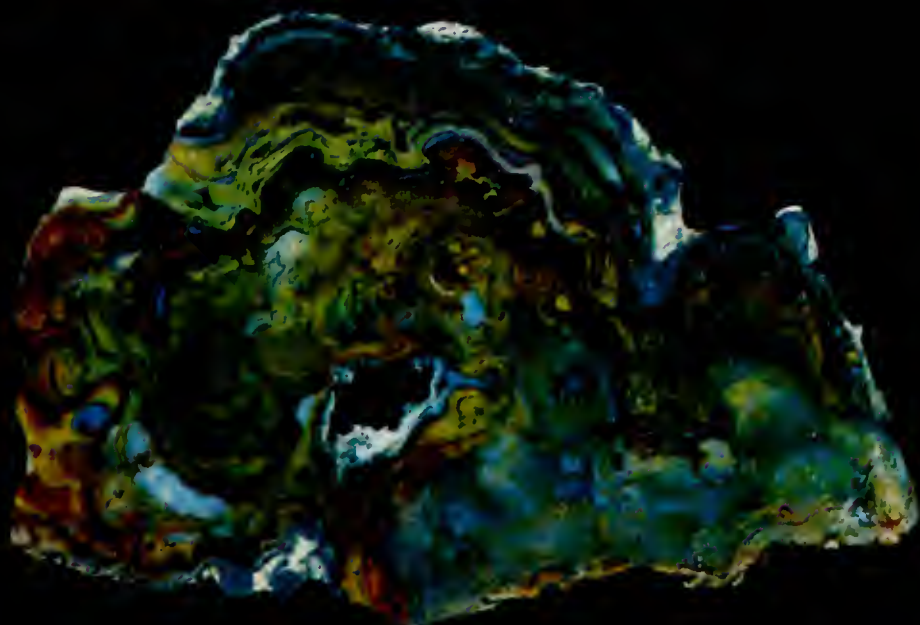

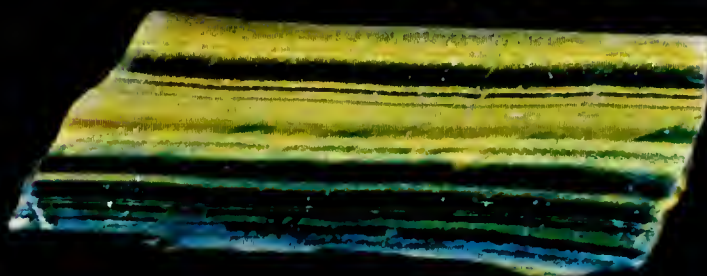

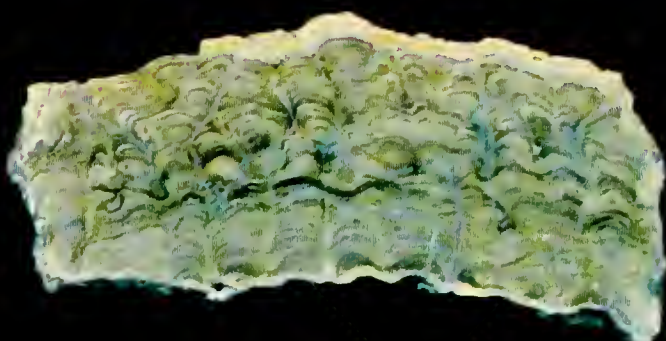

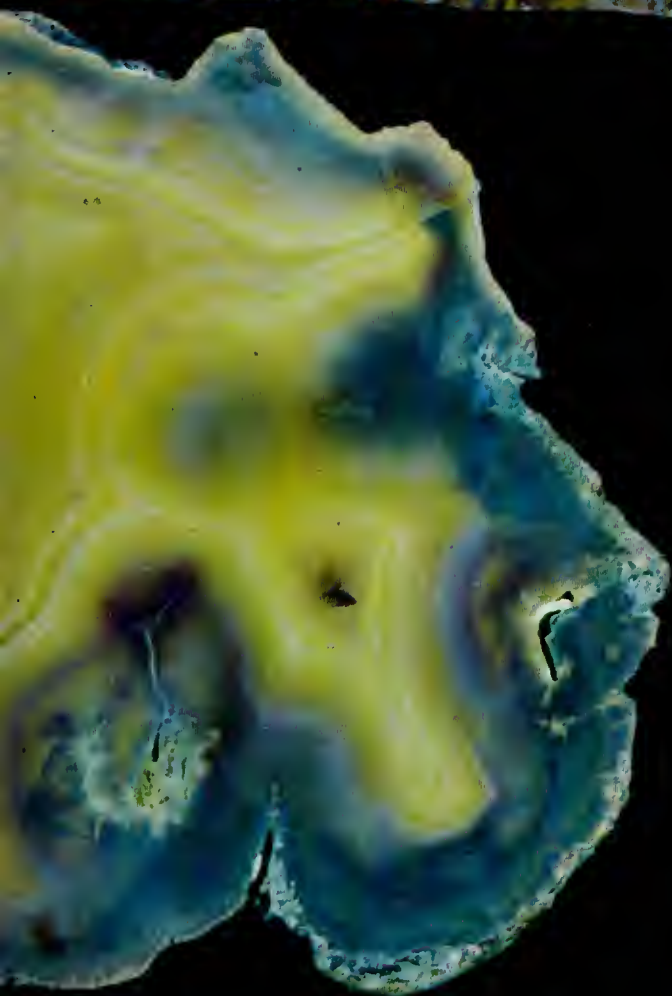

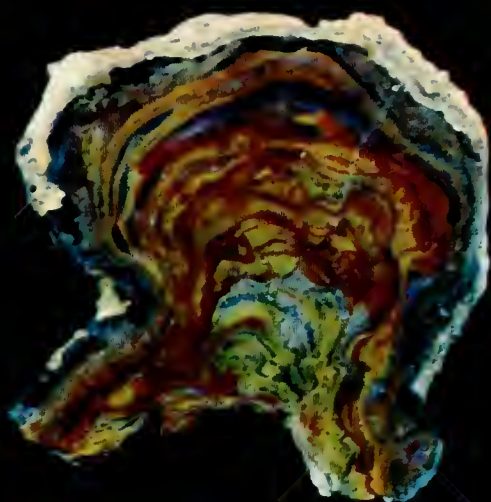

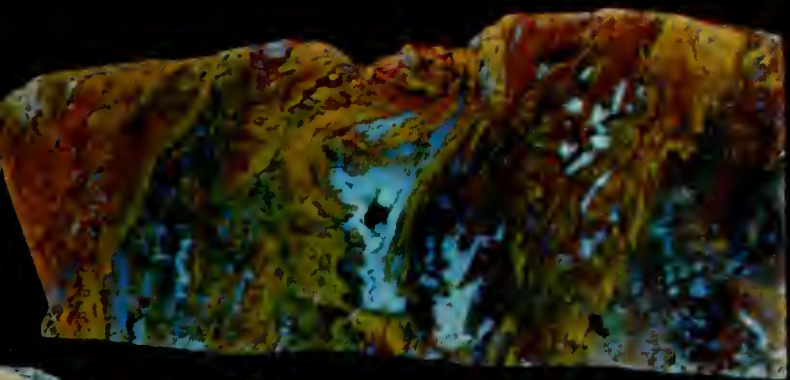

and presents a new pattern of lines . . .

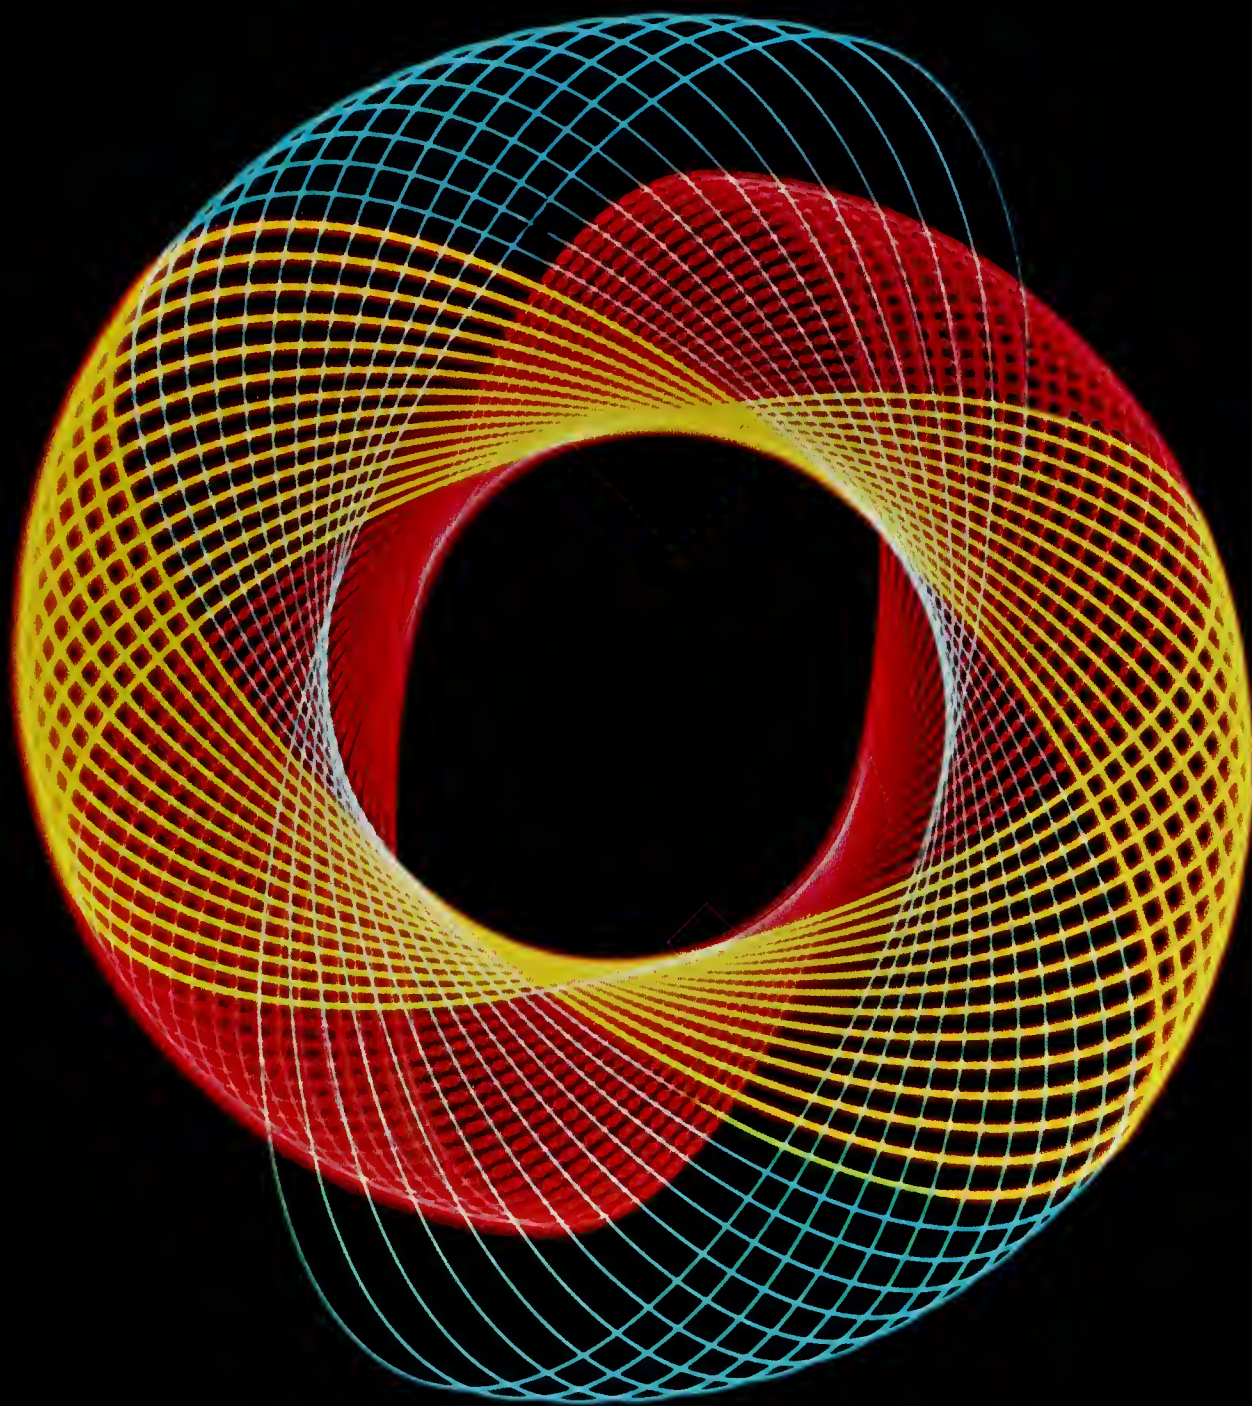

... and colors at every turn.

Even mathematical abstractions . . .

... can take on form and grace.

Lichen

*Nature does not confine her beauty
to the inanimate. The scientist
is confronted by it in all the life
around him . . .*

Coleus blumei

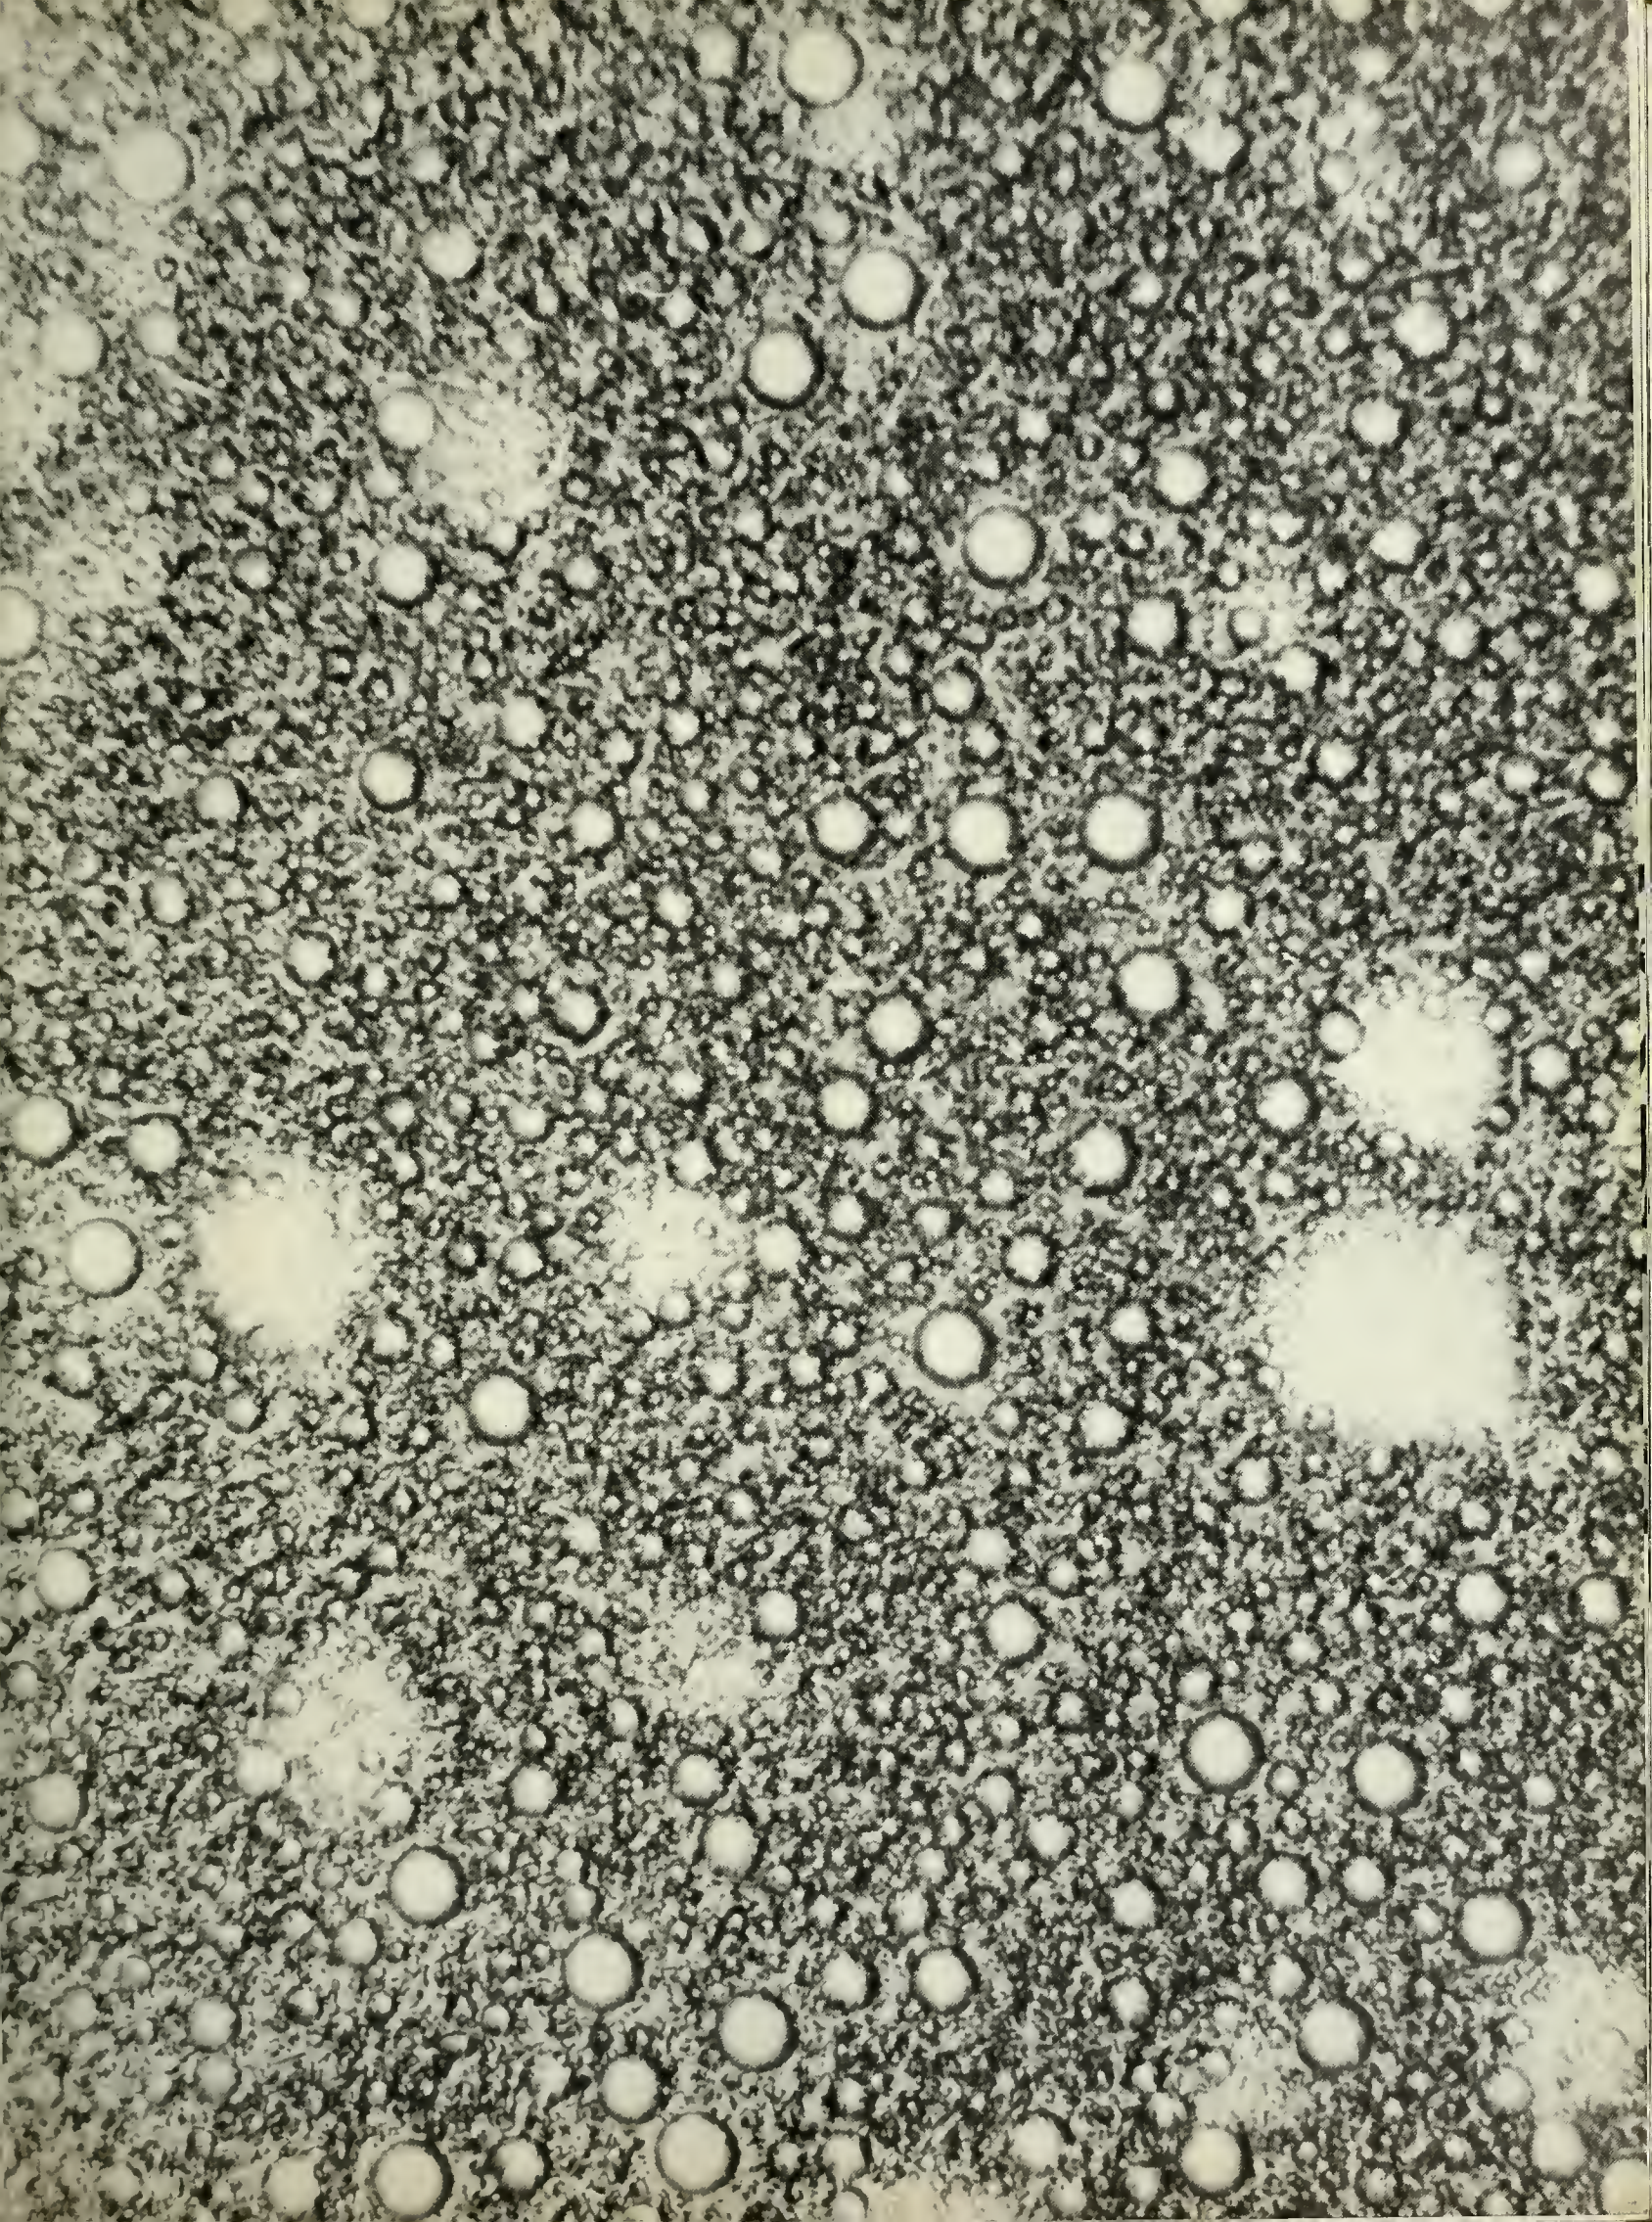

... always alive ...

Blister beetle

... always growing.

students' life ... is

a hectic mixture of many experiences...

laughter...

excitement...

...frivolity...

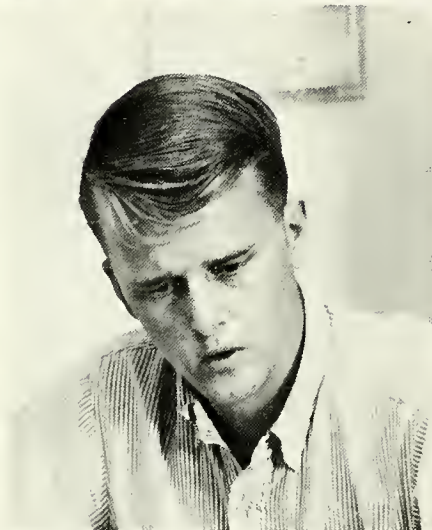

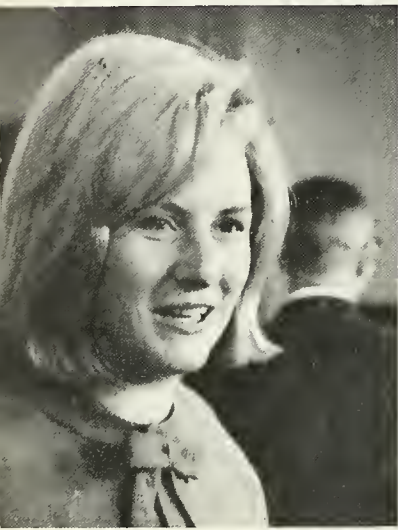

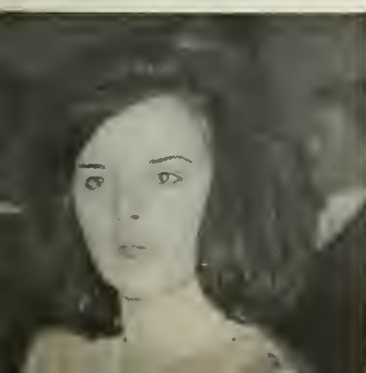

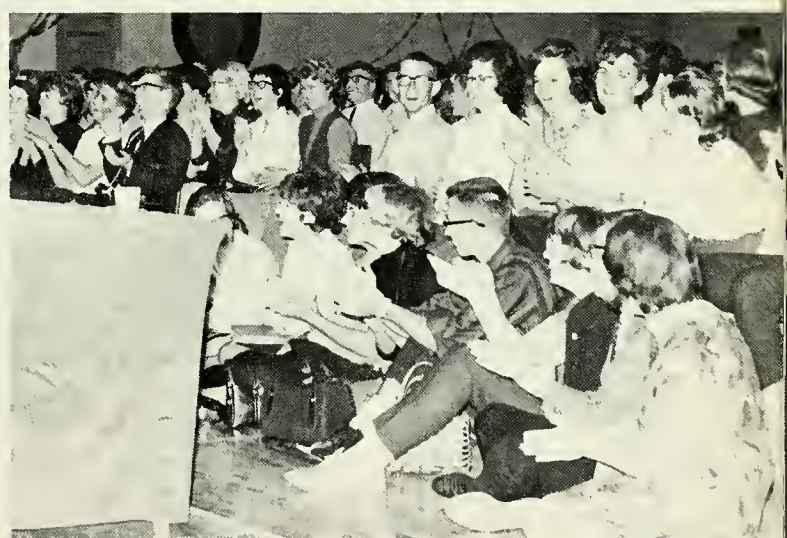

...all types of moods...

...and smiling faces, on interesting people.

It all started with frosh week...

We came to the U of S by...

bus
car
train
plane
horseback(?)

Many of us walked dazedly over the campus, trying hard to register. We all stood in lines for hours, arguing with no one in particular, just for fun, and finally we descended on the bookstore.

Of course some of our hours were

...teasing...

...politikking...

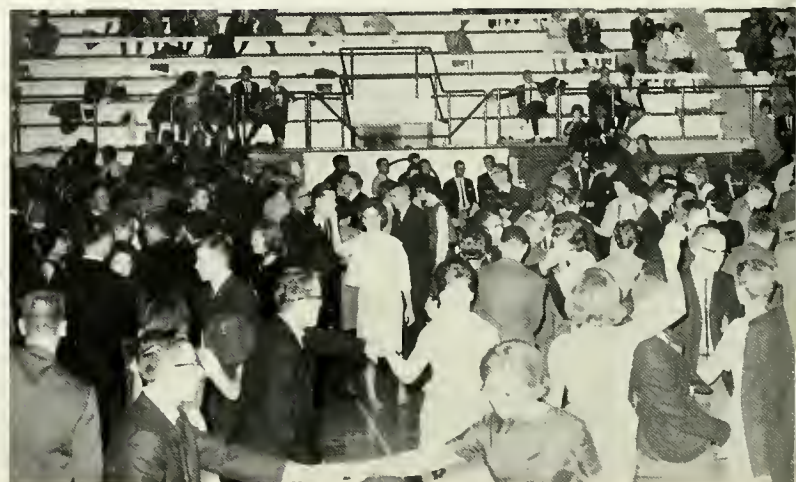

...fashion showing...

...staggering...

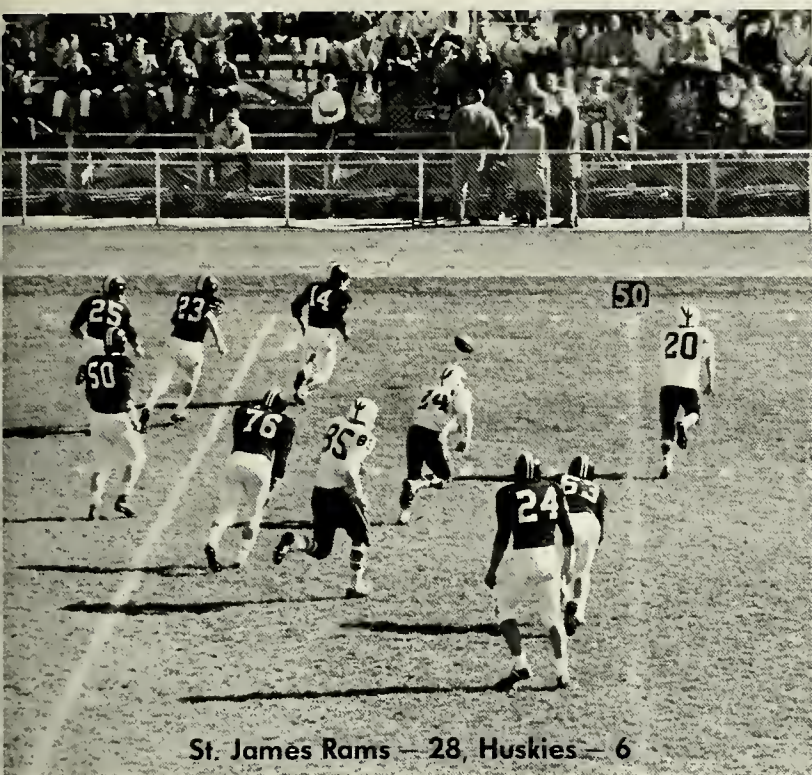

...unshoeing...

...dancing...

spent in other pursuits...

St. James Rams — 28, Huskies — 6

...footballing...

...cheering...

...oh, welling...

...used booking...

...bonfiring(?)...

...?????-ing...

Marvin Burke

Louis Leroux

Martin Oberland

**Major entertainment feature
for the week (aside from
frosh watching) was
a folksinging trio,
The Raftsmen**

"This land is your land..."

"Back to back..."

**The finale of Frosh Week
was the crowning of a
new frosh queen. "Rat"
Ratushney capably christened
Queen Janet Garner**

(Two ways to treat royalty)

Ginny Townson

Diane Porker

Nara Ward

Lynne Rankin

Joan Peterson

Judy McLean

The following week
the unfailing
Huskies presented
us with the
expected...

Edmonton Prospectors — 40, Huskies — 1

(They tried, though)

We went to the game
to have fun, so we
made our own, by
chasing greased pigs,
"borrowing" souvenirs,
and imbibing, no
matter what might
happen...

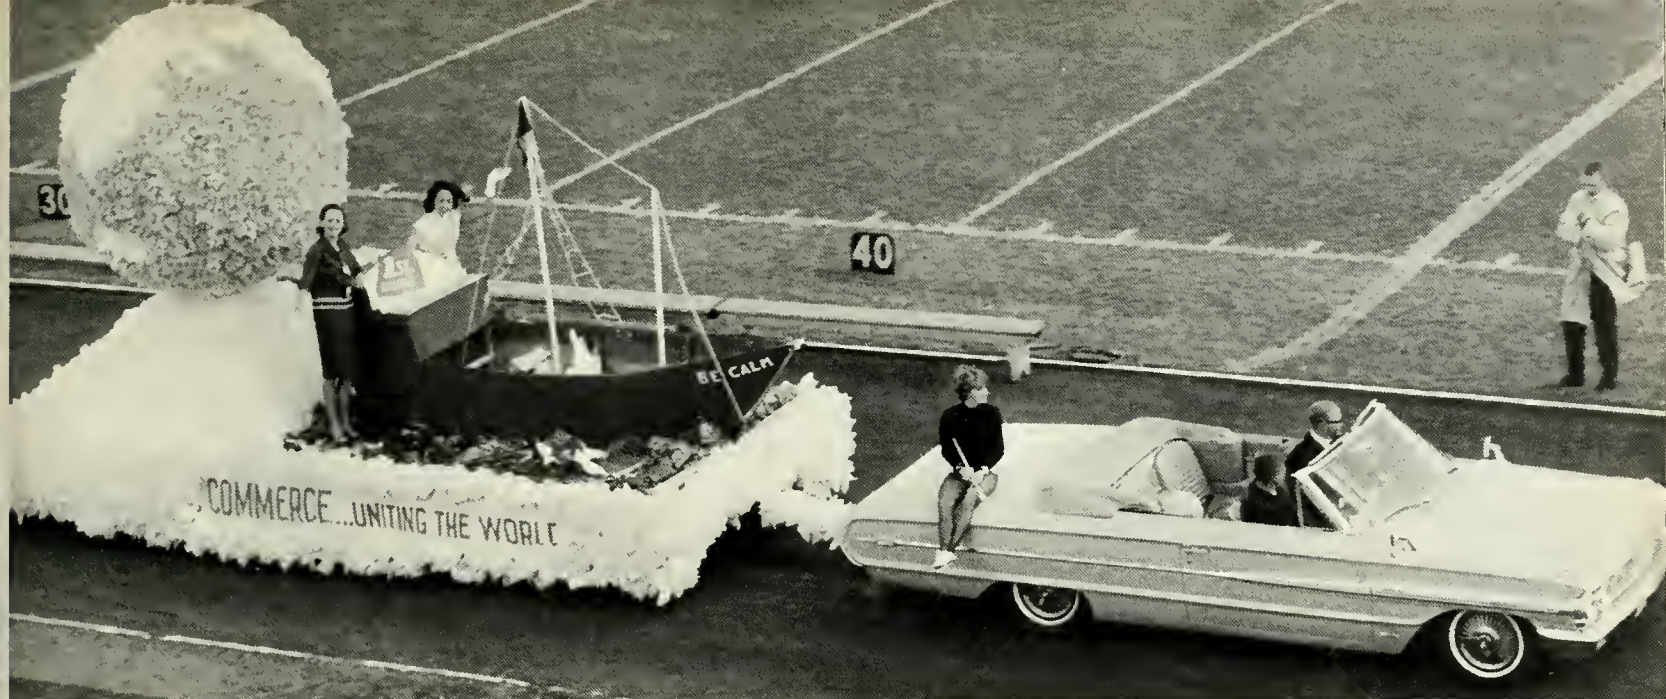

...and it happened

The next week was very interesting. It started with a war in the SRC, in which PKD, threatened with loss of its council seat, marched on the council chambers and the PKD choir sang glowingly about PKD.

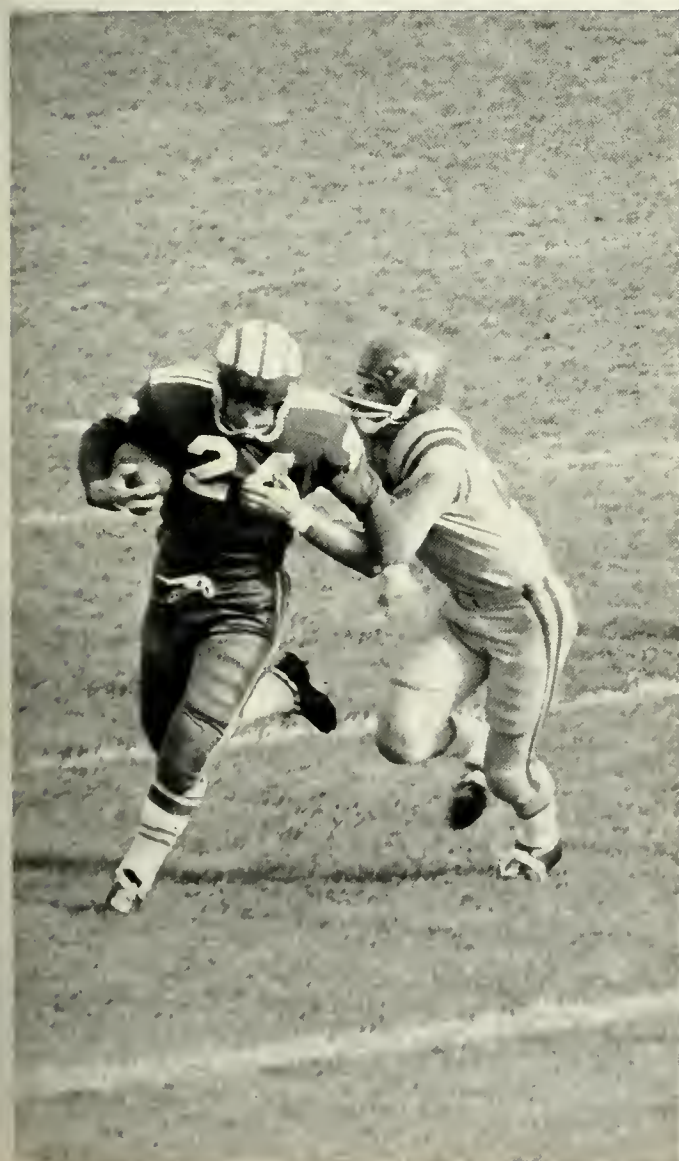

Also, October 3 saw the Homecoming Parade, which culminated weeks of float building...

To some peoples' surprise Commerce won the prize for best float, and to everyone's surprise-- the Huskies won!!!

Huskies -- 27, Calgary Dinosours -- 8

In following weeks the Huskies lost a few football games, The Sheaf was accused of everything short of sodomy, and everything was generally normal. Then Wenda Berglind got this urge, and we all followed her in a "U-Knighted" Appeal.

...some jousted...

...all gathered...

...and gathered...

...and had a "parade"...

...and canvassed the city...

...and collected \$2456 in 517 calls.

...Commerce Fall Specialed...

**And during these
same weeks various
colleges sponsored their
annual fall dances,
usually choosing their
1964-65 Queens...**

...the Beersmen Balled...

...the Agros ate beans...

...Home Ec Picked O' the Patch...

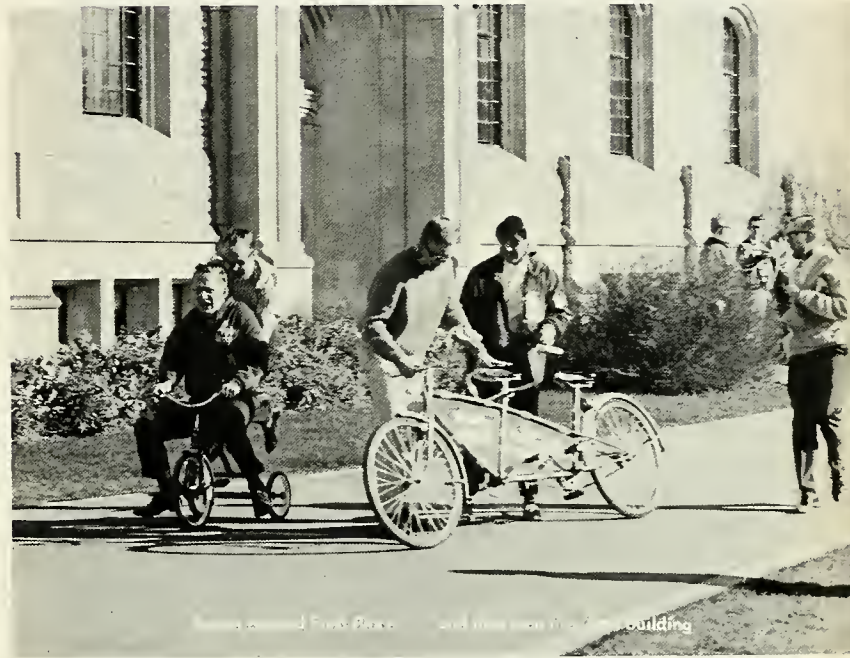

...Voc Ag...

Other events also
occurred over these
weeks, some of
them momentous
and others, well,
eventful...

...U of S Open House...

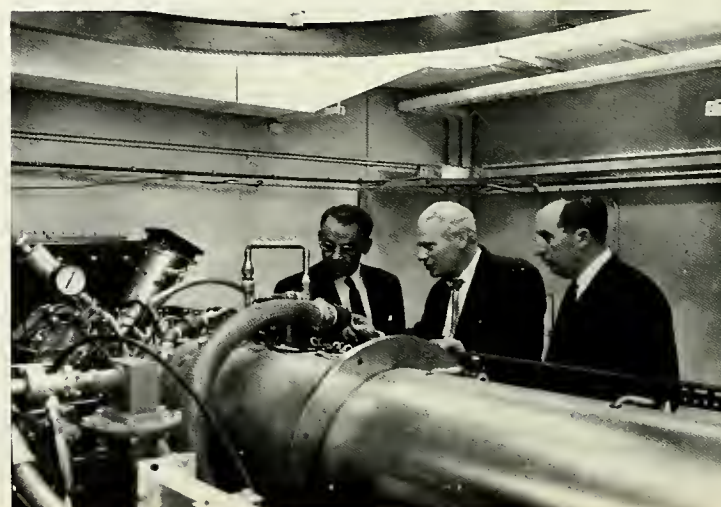

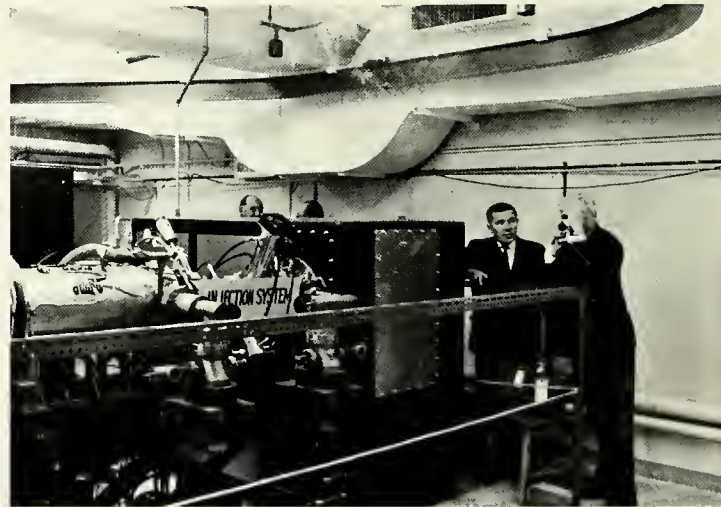

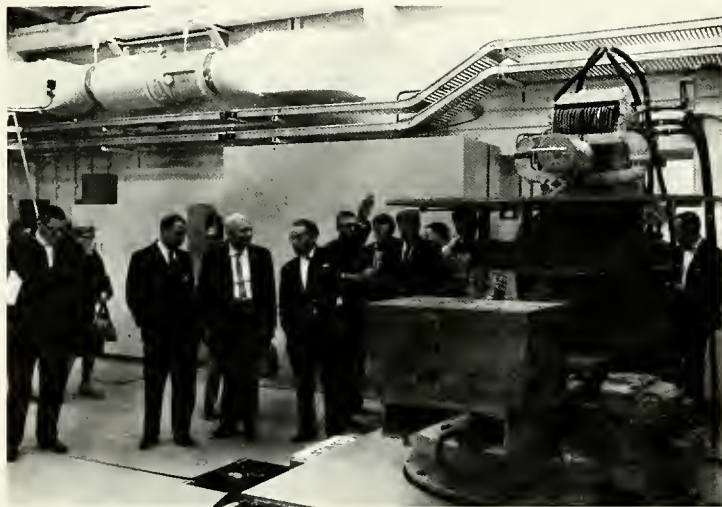

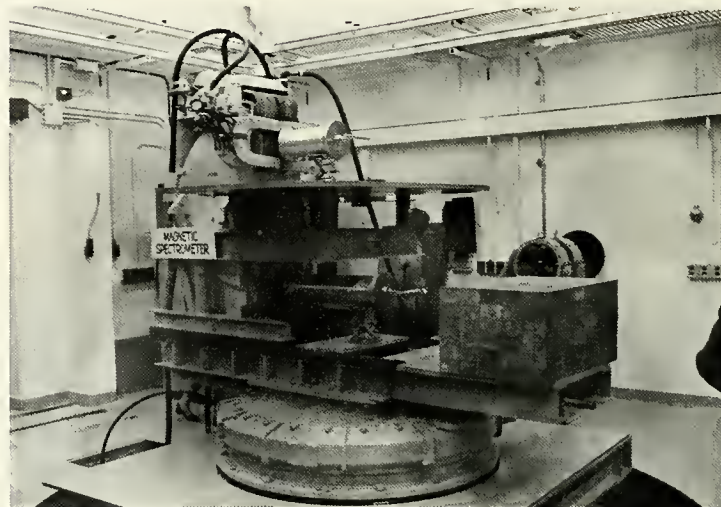

...bicycle racing among colleges...

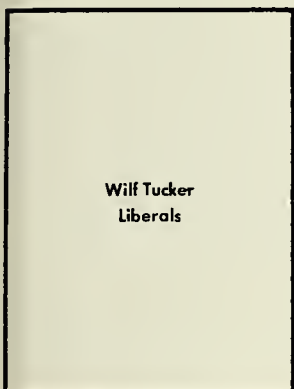

...we Hooleyed...

...and on November 6 our Physics Department opened a \$2,000,000 Linear Accelerator. The eighty foot tube accelerator was designed by this University's Dr. Leon Katz, F.R.S.C.

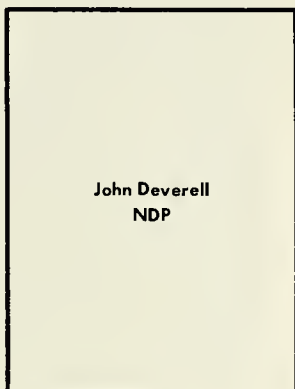

**On November 10 the campus Liberals,
led by Wilf Tucker, won the
Parliamentary Forum elections, after
several hectic weeks of electioneering.**

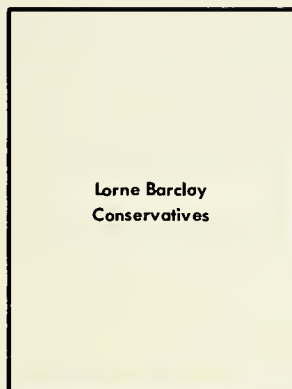

Standings	
Liberals	22
NDP	20
Conservatives	15
Socreds	2
Total Seats	59

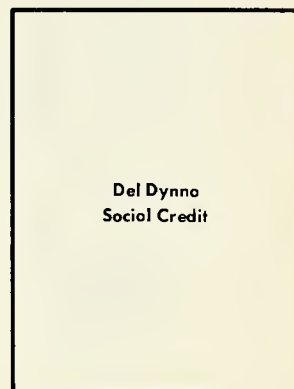

Wilf Tucker
Liberals

John Deverell
NDP

Lorne Barclay
Conservatives

Del Dynno
Social Credit

...we voted...

...we counted...

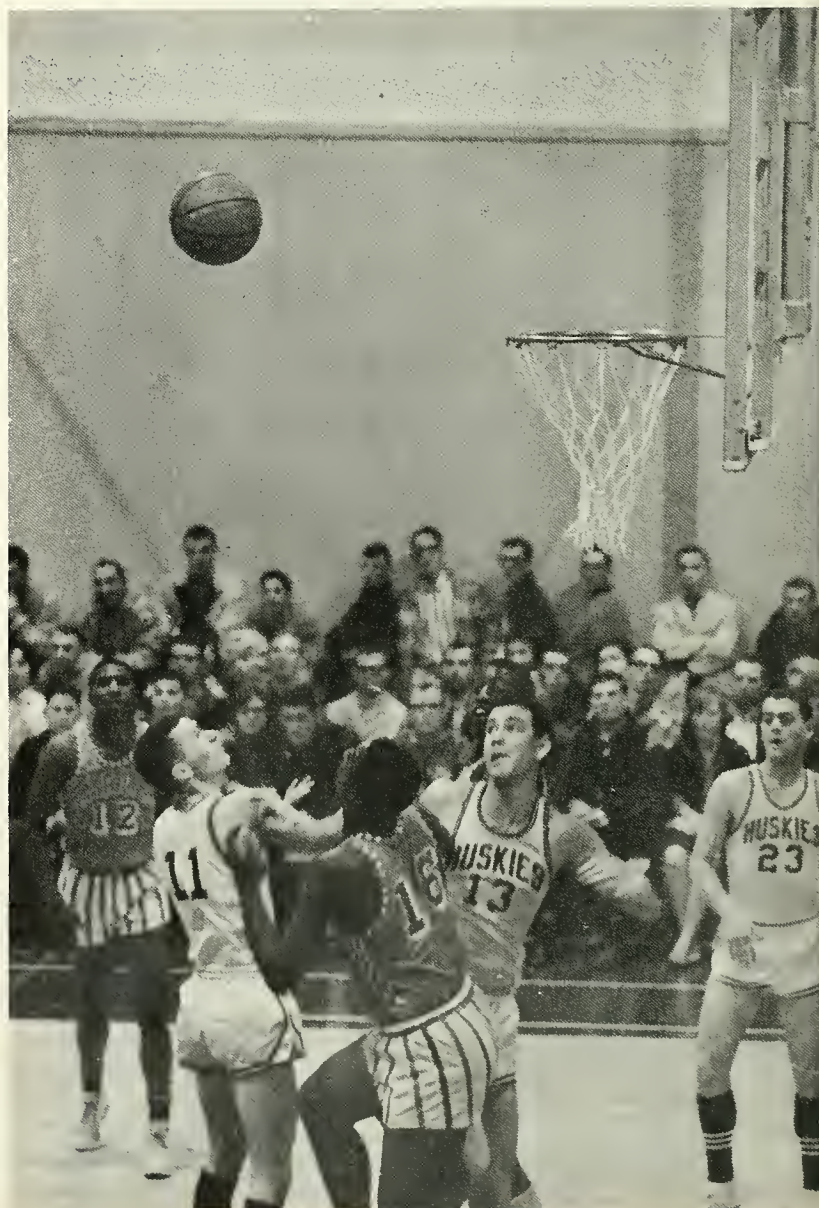

...we recorded results...

...Barclay congrats Tucker.

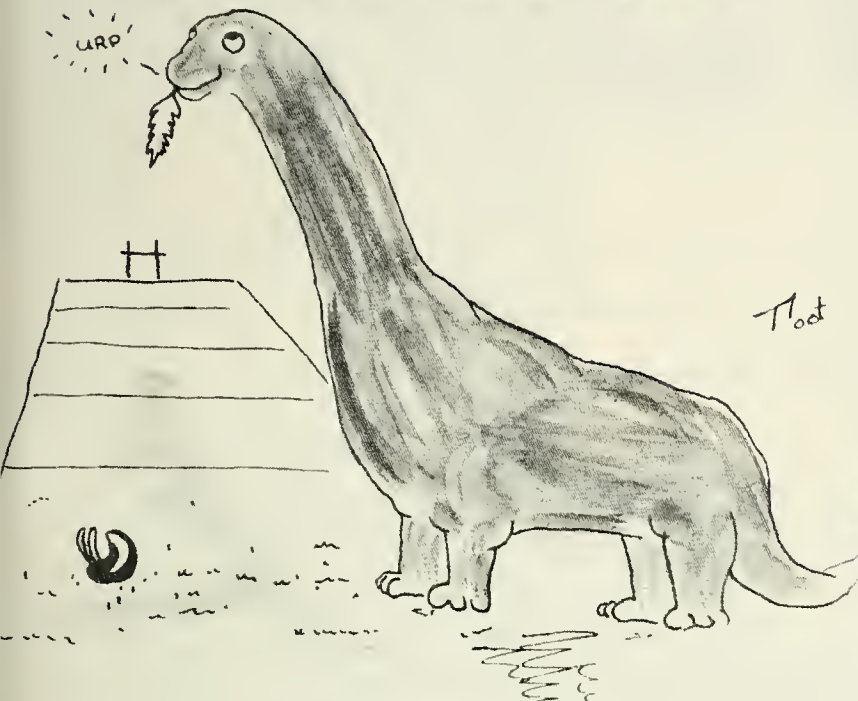

The Saskatchewan Roughriders chose a U of S student, Deanna Bryden, as their Queen, the Agros, Engineers, and Home Ec had a cowmilking contest...

...the Huskie Basketballers whipped the Harlem Stars.

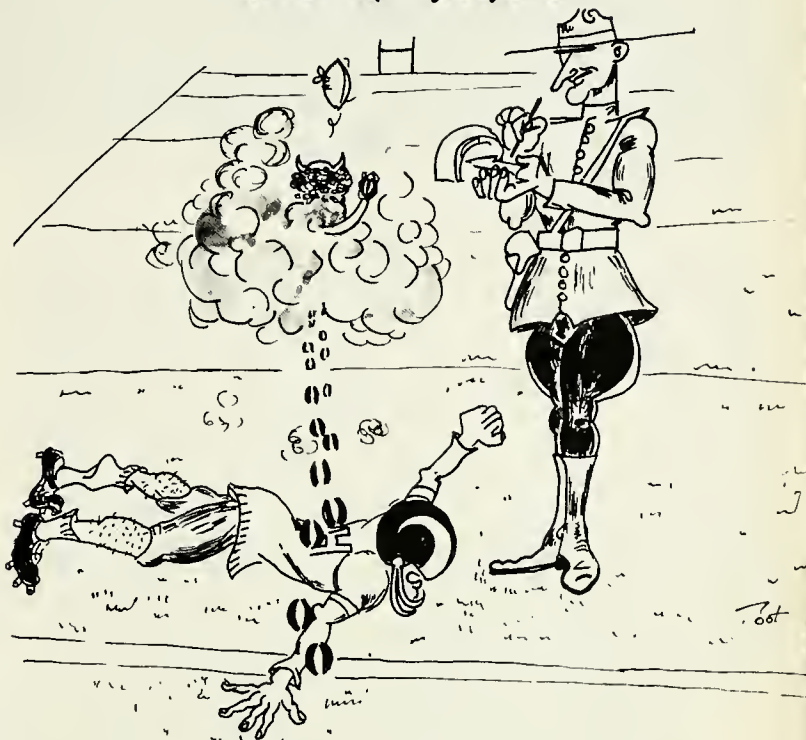

Twice more the football Huskies lost their games,
though they tried very hard to win.
But they lost.

Huskies Eaten by Dinosaurs

How could just one calorie taste so good?

Huskies Stomped Again by Bisons

"All I noticed was that he had horns and was wearing a fur coat."

To sooth our disappointment at such losses
we attended the Agros' annual orgy, and
"dragged our bag to the Ag Bag Drag".

Rogers crowns Queen Marilyn Glover

Michelle receives crown

Education held its annual Roman Holiday, and Law held its Queen Party, adding more Queens to the Corn Ball parade...

Queen Mora Hawk

Michelle Henon crowns Queen Michelle Henon

...as did Commerce and Pharmacy...

Arts Queen Pauline Samson

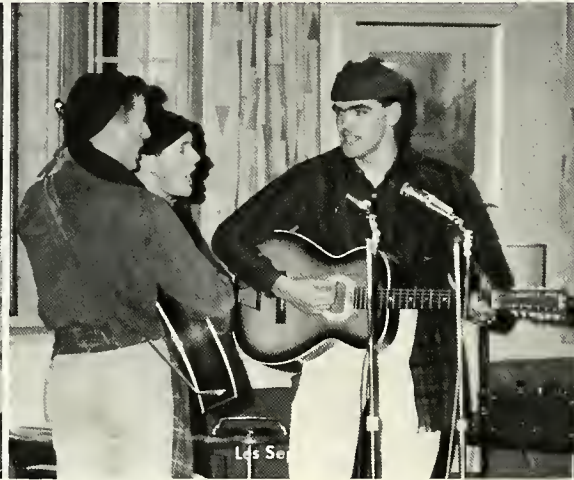

Nursing Queen Dawn McMillan

...and Arts and Nursing.

November 25 to December 5 the Greystone Theater presented Shakespeare's "Twelfth Night", in celebration of Shakespeare's 400th birthday anniversary.

**November 15 to 20 PKD held its annual PKD Week,
featuring, in particular, the following...**

...a Hootenanny in the Upper MUB...

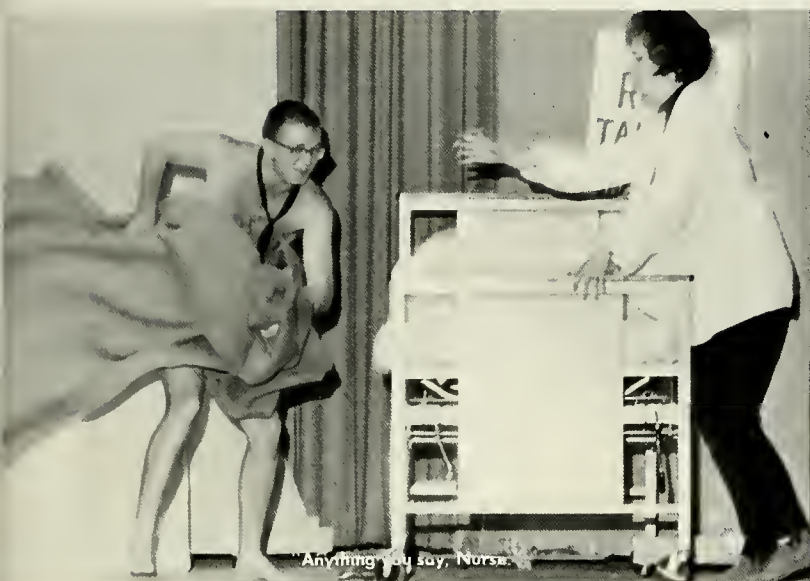

**...a debate, "I.Q. or Bust", which attempted to
establish whether smart girls have a large or
a small bust measurement (and who knows,
or cares, who won?)...**

...and a showing of PKD's lamb.

**Medicine and Nursing presented their biannual
"Medico Mania", with an entertaining (and
possibly (?) exaggerated) satire
on hospital life...**

**Chemistry and Pharmacy gave us the
Chem-Pharm Show, complete with all
sorts of sneaky little gadgets...**

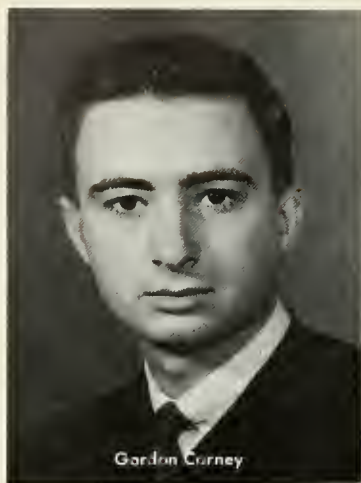

**...and Treasure Van presented us with
a selection of foreign handicrafts...**

...and we
learned a few
new pastimes...

December 4 the SRC announced the appointment of a commission to investigate feasibility of constructing a \$4,000,000 students' building, soon named by the commission as the "U-Sask Students' Center." Gord Carney was named Commission chairman.

December 5 we went to the annual Coronation Ball, where we met all of the College Queens, one of whom was to be chosen 1965 Campus Queen...

Marlene Stupnikoff
Miss U of S

A black and white photograph of two men in suits. The man on the right is standing and pointing at a sign that reads "BARF BAG". The man on the left is sitting and looking down at something in his hands. There is a table with a cloth between them.

**The CUS Directorate held its first annual
"Cus-enany", and many folksinging groups
were present...**

Dave Wright

King and Dan

Lorna Doherty

**...and the final event of 1964 was
(as is customary) sponsored by Law, and
we all "got our Lei at the Law Cabaret".**

Immediately after Christmas PKD held a Jeanboree, for girls only (and SGP Photogs), at which most of the co-ed colleges gave skits...

...and the Engineers held their legendary Godiva's Gallop, and chose themselves a 1965 Lady Godiva...

Shortly after God's Gallop, we...

...went to MASA's Carribean Cruise...

...and played politics in the Parliamentary Forum, with the Liberals forming the only Government, and actually passing some legislation...

January 17 to 22 was
Sadie Hawkins Week,
wherein "anything goes,
and all methods of
trapping are permissible"
(for girls). **First event
of the week was
a hootenanny...**

...other Sadie Hawkins Week events (aside from male goldiggers and female bankruptcies) included coffee dates, breakfast dates, dances...

...The Roaring Twenties...

...a jazz concert, by the V-Band...

*...and June in January, where
we tried to pretend that the weather wasn't.*

**February 7 to 13 was...
Winter Carnival 1965. It opened
with Saskatchewan's first Jazz
Festival, with eight bands from
all over the province attending...**

Monk Trio

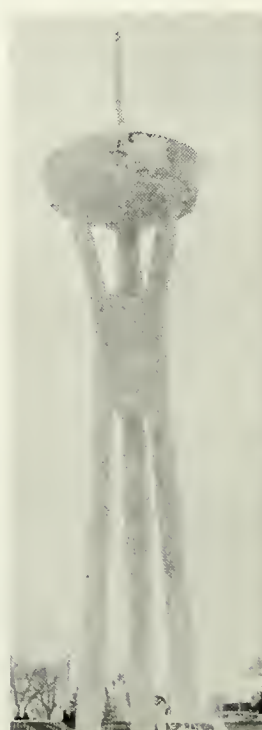

Varsity Jazz Band

...all colleges built snow sculptures...

...Agriculture...

...Engineering...

...Medicine...

...raced toboggans, with cargoes of queens...

...college society V-P's and Deans sawed logs...

...(V-P's tried not to be too hard on the Deans)...

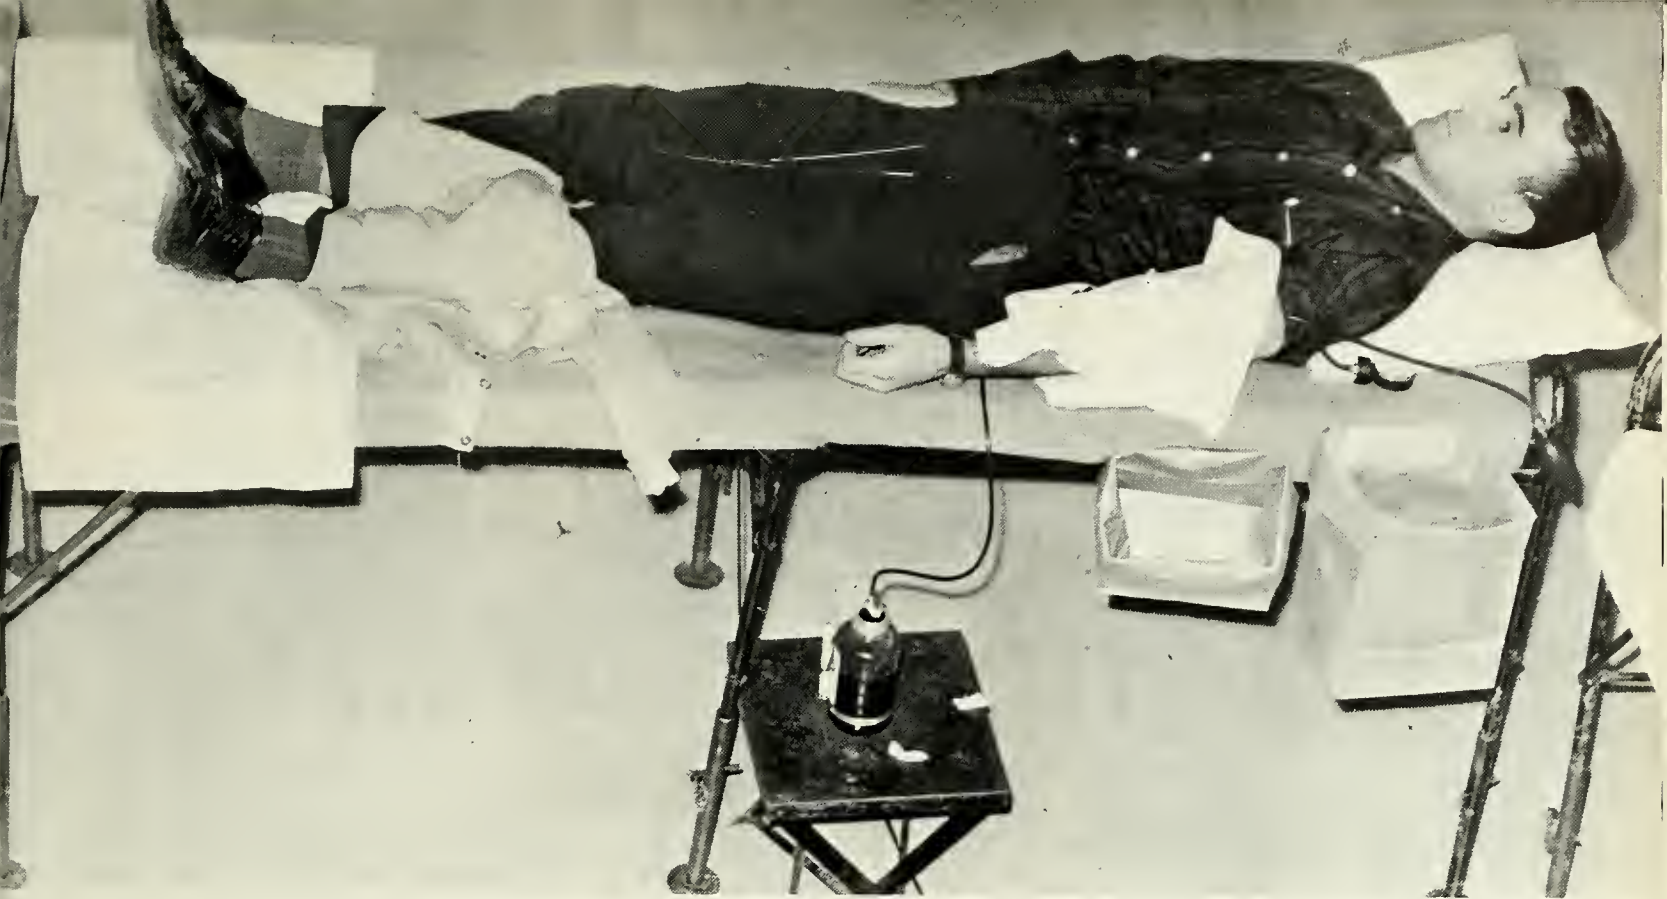

...and the week ended in parties and dances...

Pharmacists partied on their snow sculpture

Carmen Queen Marilyn Glo

The Blood Drive ended February 27, and in honor of the 4215 donors (54% of the campus) we had a dance which, for some inscrutable reason was called "The Hanging of the Crane".

*March 3 to 6 Greystone Theater
presented Noel Coward's
"Blithe Spirit", their final
presentation for 1965.*

Townsend

Henderson

Hoffer

The ten days before March 12 were filled with SRC election campaigning, with a total of sixteen persons running for office, including three for President (above) and ...and five for secretary.

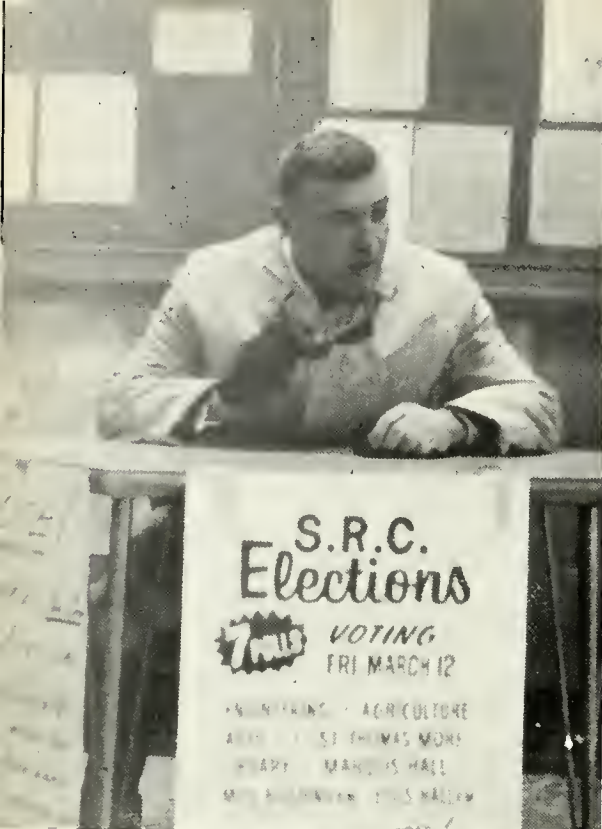

McKel (Secretary)

Beeson (CUS)

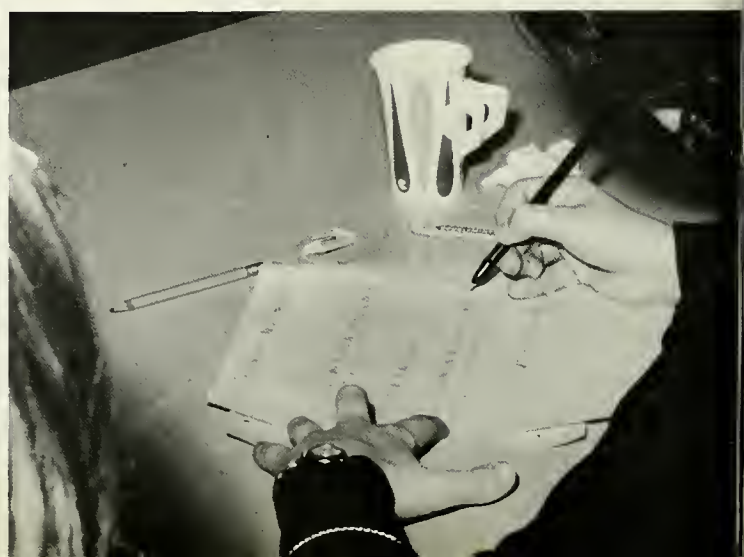

Townsend

...on March 12 we voted...

...counted...

*...and finally the outcome, as our
new SRC was announced...*

President.....Tom Townsend

Vice President...Lee Johnstone

Treasurer.....Don Innes

Secretary.....Beth McLeod

PKD.....Sharon Capeling

CUS....Bob Beeson and Norm Riddell

Social Director...Neil Bernbaum

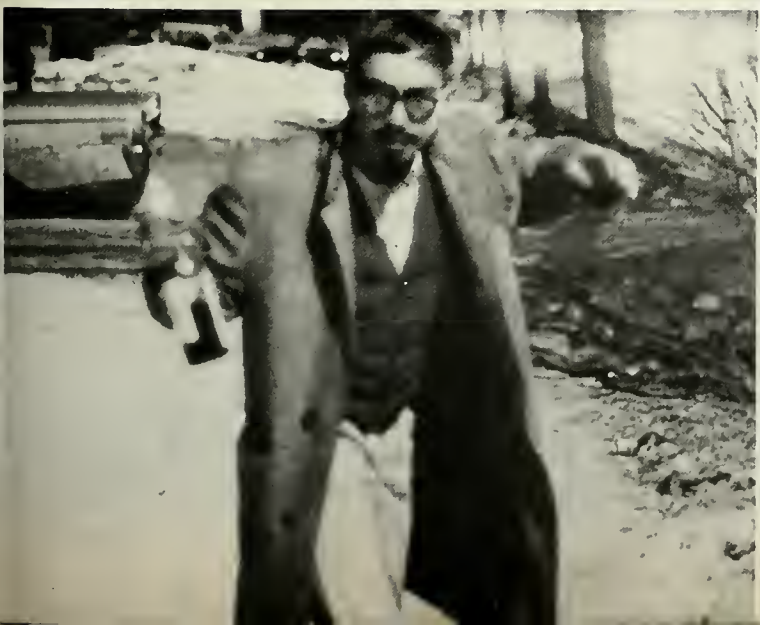

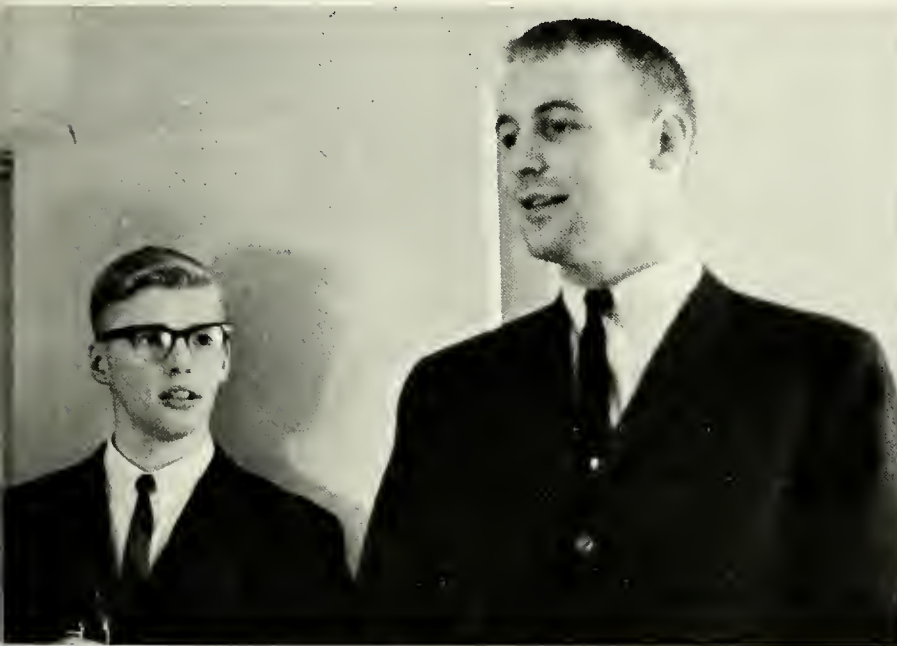

MUB.....Wayne Fraser

WAB.....Peggy McGillivray

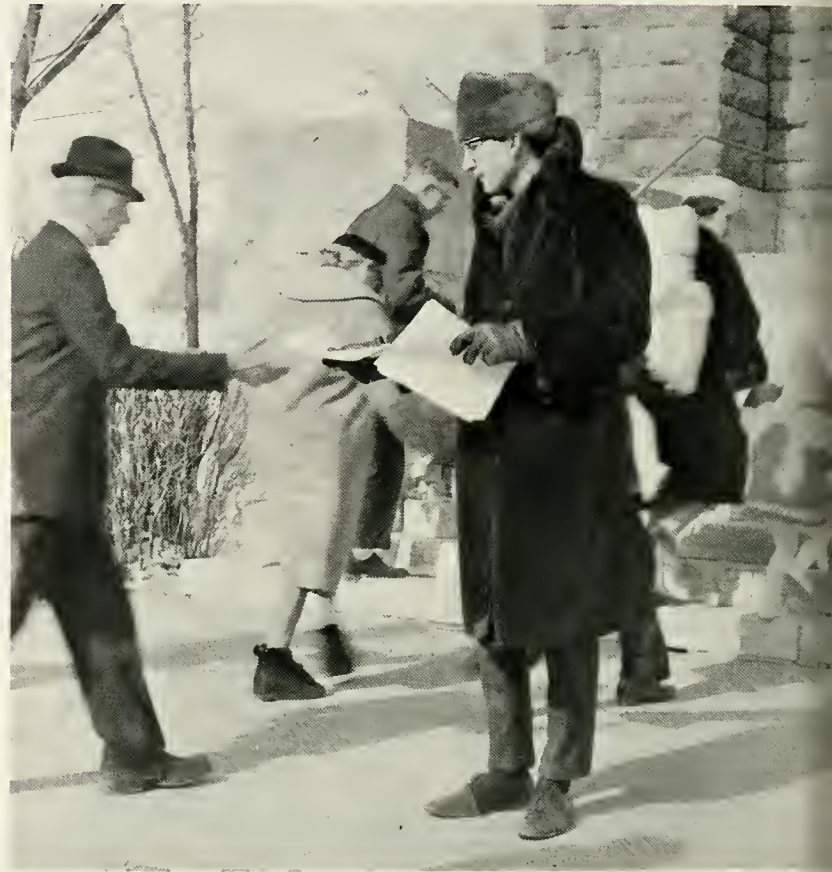

MAB.....Garry Shoquist

PRO.....Dave Trachuk

*...and winners and losers alike
gathered for a number of parties
that evening...*

Toward the end of the year we are always looking for something different, new, and preferably crusading, to do, and this year we picketed a church to protest alleged racial discrimination at one of its colleges...

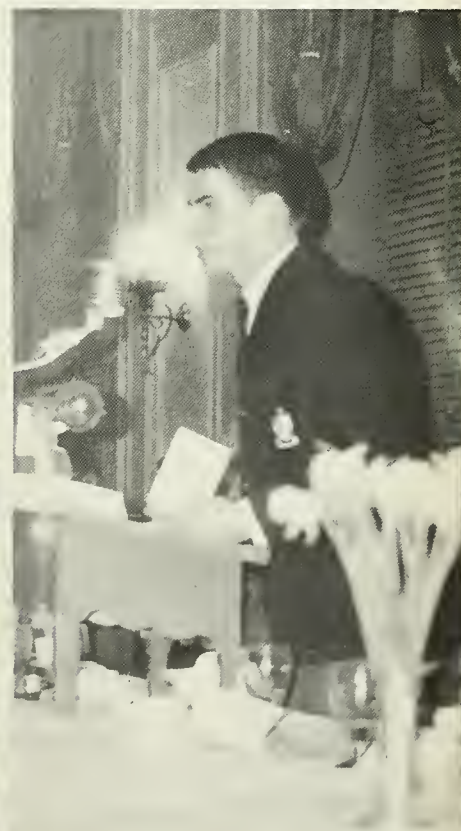

...and two U of S students, Elory Popoff and Gordon Cogger journeyed to Selma, Alabama to join the marching Civil Rights workers there.

During February and March most of the colleges held their graduation banquets and dances, and made their special college awards...

...Pharmacy...

...Engineering...

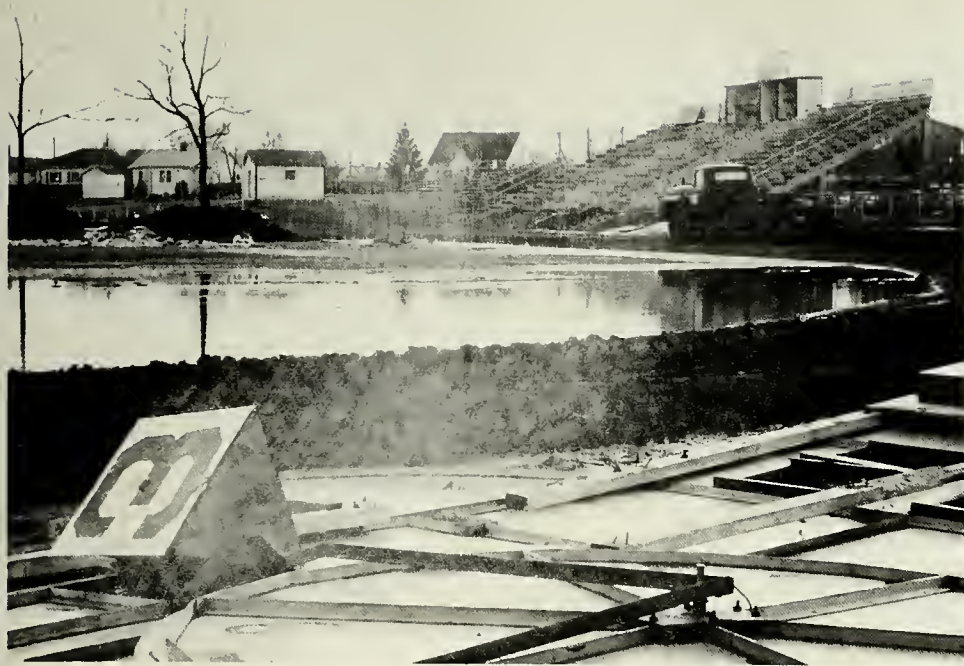

...Nursing...

...Commerce...

...Education...

**...and, as we
watched workmen
begin to move
Griffiths Stadium
to allow College
Street widening,
we suddenly realized...**

The year is almost over!

**So, we began to study
madly, in any quiet place
we could find, and sometimes
quite literally (almost) "burning
the midnight oil"...**

...there were term papers to catch up on...

...the hard way...

...tidiness was forgotten (if it had ever been learned), as we spent most of our waking hours cramming...

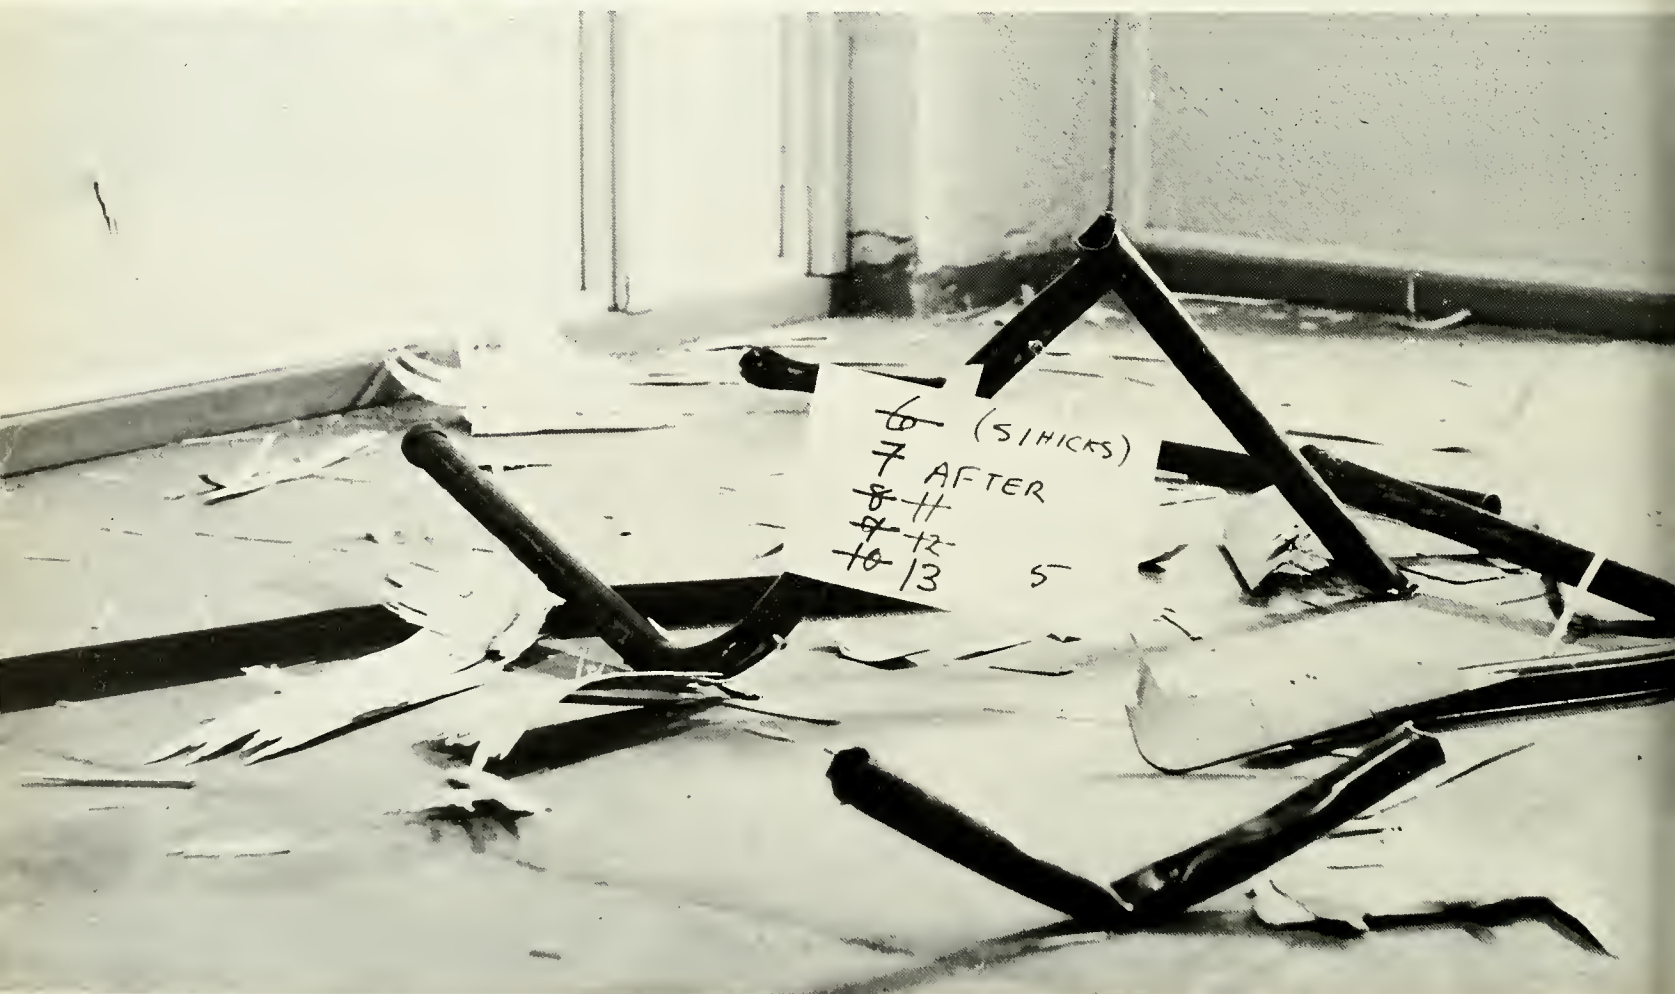

*...that is, **USUALLY** cramming...*

**Day for some
became night
for others...**

**...and all sorts
of strange things
were seen...**

...and, in general, strange things happened...

...very strange things...

*...so finally we wrote exams, and
the year was finished – one way or
another – and so, with great jubilation...*

...we packed...

*...and, finally, in some fashion,
we went home — most of us, that
is — after picking up our various
laurels...*

rhodes scholar

Rhodes Scholarships were established by the Right Honorable Cecil Rhodes. These scholarships, worth about \$2500 per year and tenable up to three years, are open to all single male students between the ages of nineteen and twenty-five who are British subjects. The student must have completed at least two years of university and have a high academic standing and high personal character. He must also have shown leadership capabilities and an interest in all kinds of activities. The scholarships are open to residents of the province, no matter what university they are attending.

This year's Rhodes Scholar is Bob Moncur, a native of Saskatoon. He is presently taking his final year in the College of Commerce, and this fall will enroll as an Economics major at Oxford.

convocation

And so, we
convocated. Our
university careers
were ended. It
was a ceremony
that evoked in us mixed
feelings of pride,
relief, achievement,
and - regret,
and so we departed
our alma mater, to face
a chaotic future.

In Memorium

The solemn quiet of the nation,
The reverence on the faces of the crowds
The slow-trending V.I.P.s in silent black
What are these shadows of reality,
Flickering fast across the screen
From country round to country?
What do they mean?
They are the products of mechanics,
Children of the modern age,
All used to honour one who made the age,
Who saved the age
Giving us the chance to live
Churchill, Winston Spencer Churchill
Leader of Leaders, Man of Men -
The platitudes of praise continue to roll out,
Giving us pause to think
And thank.
Alive and young he was reviled,
Disliked, hated and dishonoured;
And yet he was admired,
And, later, leading his people
Against the frantic hatred of a Fool,
They came to honour, love, obey him
But age must come, even to those as great
Alive and old he was a legend,
A man alive beyond his times
His death, the final period
Of a country's faded greatness:
The end of eras of great power
And so we honour him.

FRONT ROW: Mory Hommond, Second Vice-President; Janet Baldwin, Vice-President; Dawn McMillan, President; Mory Scott, Secretary; Vivian Rollock, Treasurer.

BACK ROW: Lynn Knipfel, Ellis Echoes Editor; Stello Lacoursiere, Elaine Young, Edith Peters, NCF President; Shirley Stephens, SSNA Rep.

FRONT ROW: Diane Rycraft, Elaine Maksymiuk, Ann Cospell, Sandra Sollans, Doro McCorkindale.

Following Medicine and Nursing (in ascending order of importance, of course) we present a series of pictures illustrating some of the occupational goals of these fields...

The operation we see here involved a bypass arterial graft. A section of defective artery in the patient's right leg was removed and replaced with artificial material.

...and finally, the leg is sewn up. The following sequence shows a patient's arthritically deformed hand being operated on to restore some appearance of normality in it. The hand was surgically opened, and the hardened material cracked.

**And now we take a last
look at the campus
that became so much a
part of us and of
our lives...**

The many faces
of our
University

A photoessay by
Gayvin Franson

The face of our campus...

changes with the seasons.

University presents us with...

the face of levity...

endeavor...

Serenity...

permanence

...progress

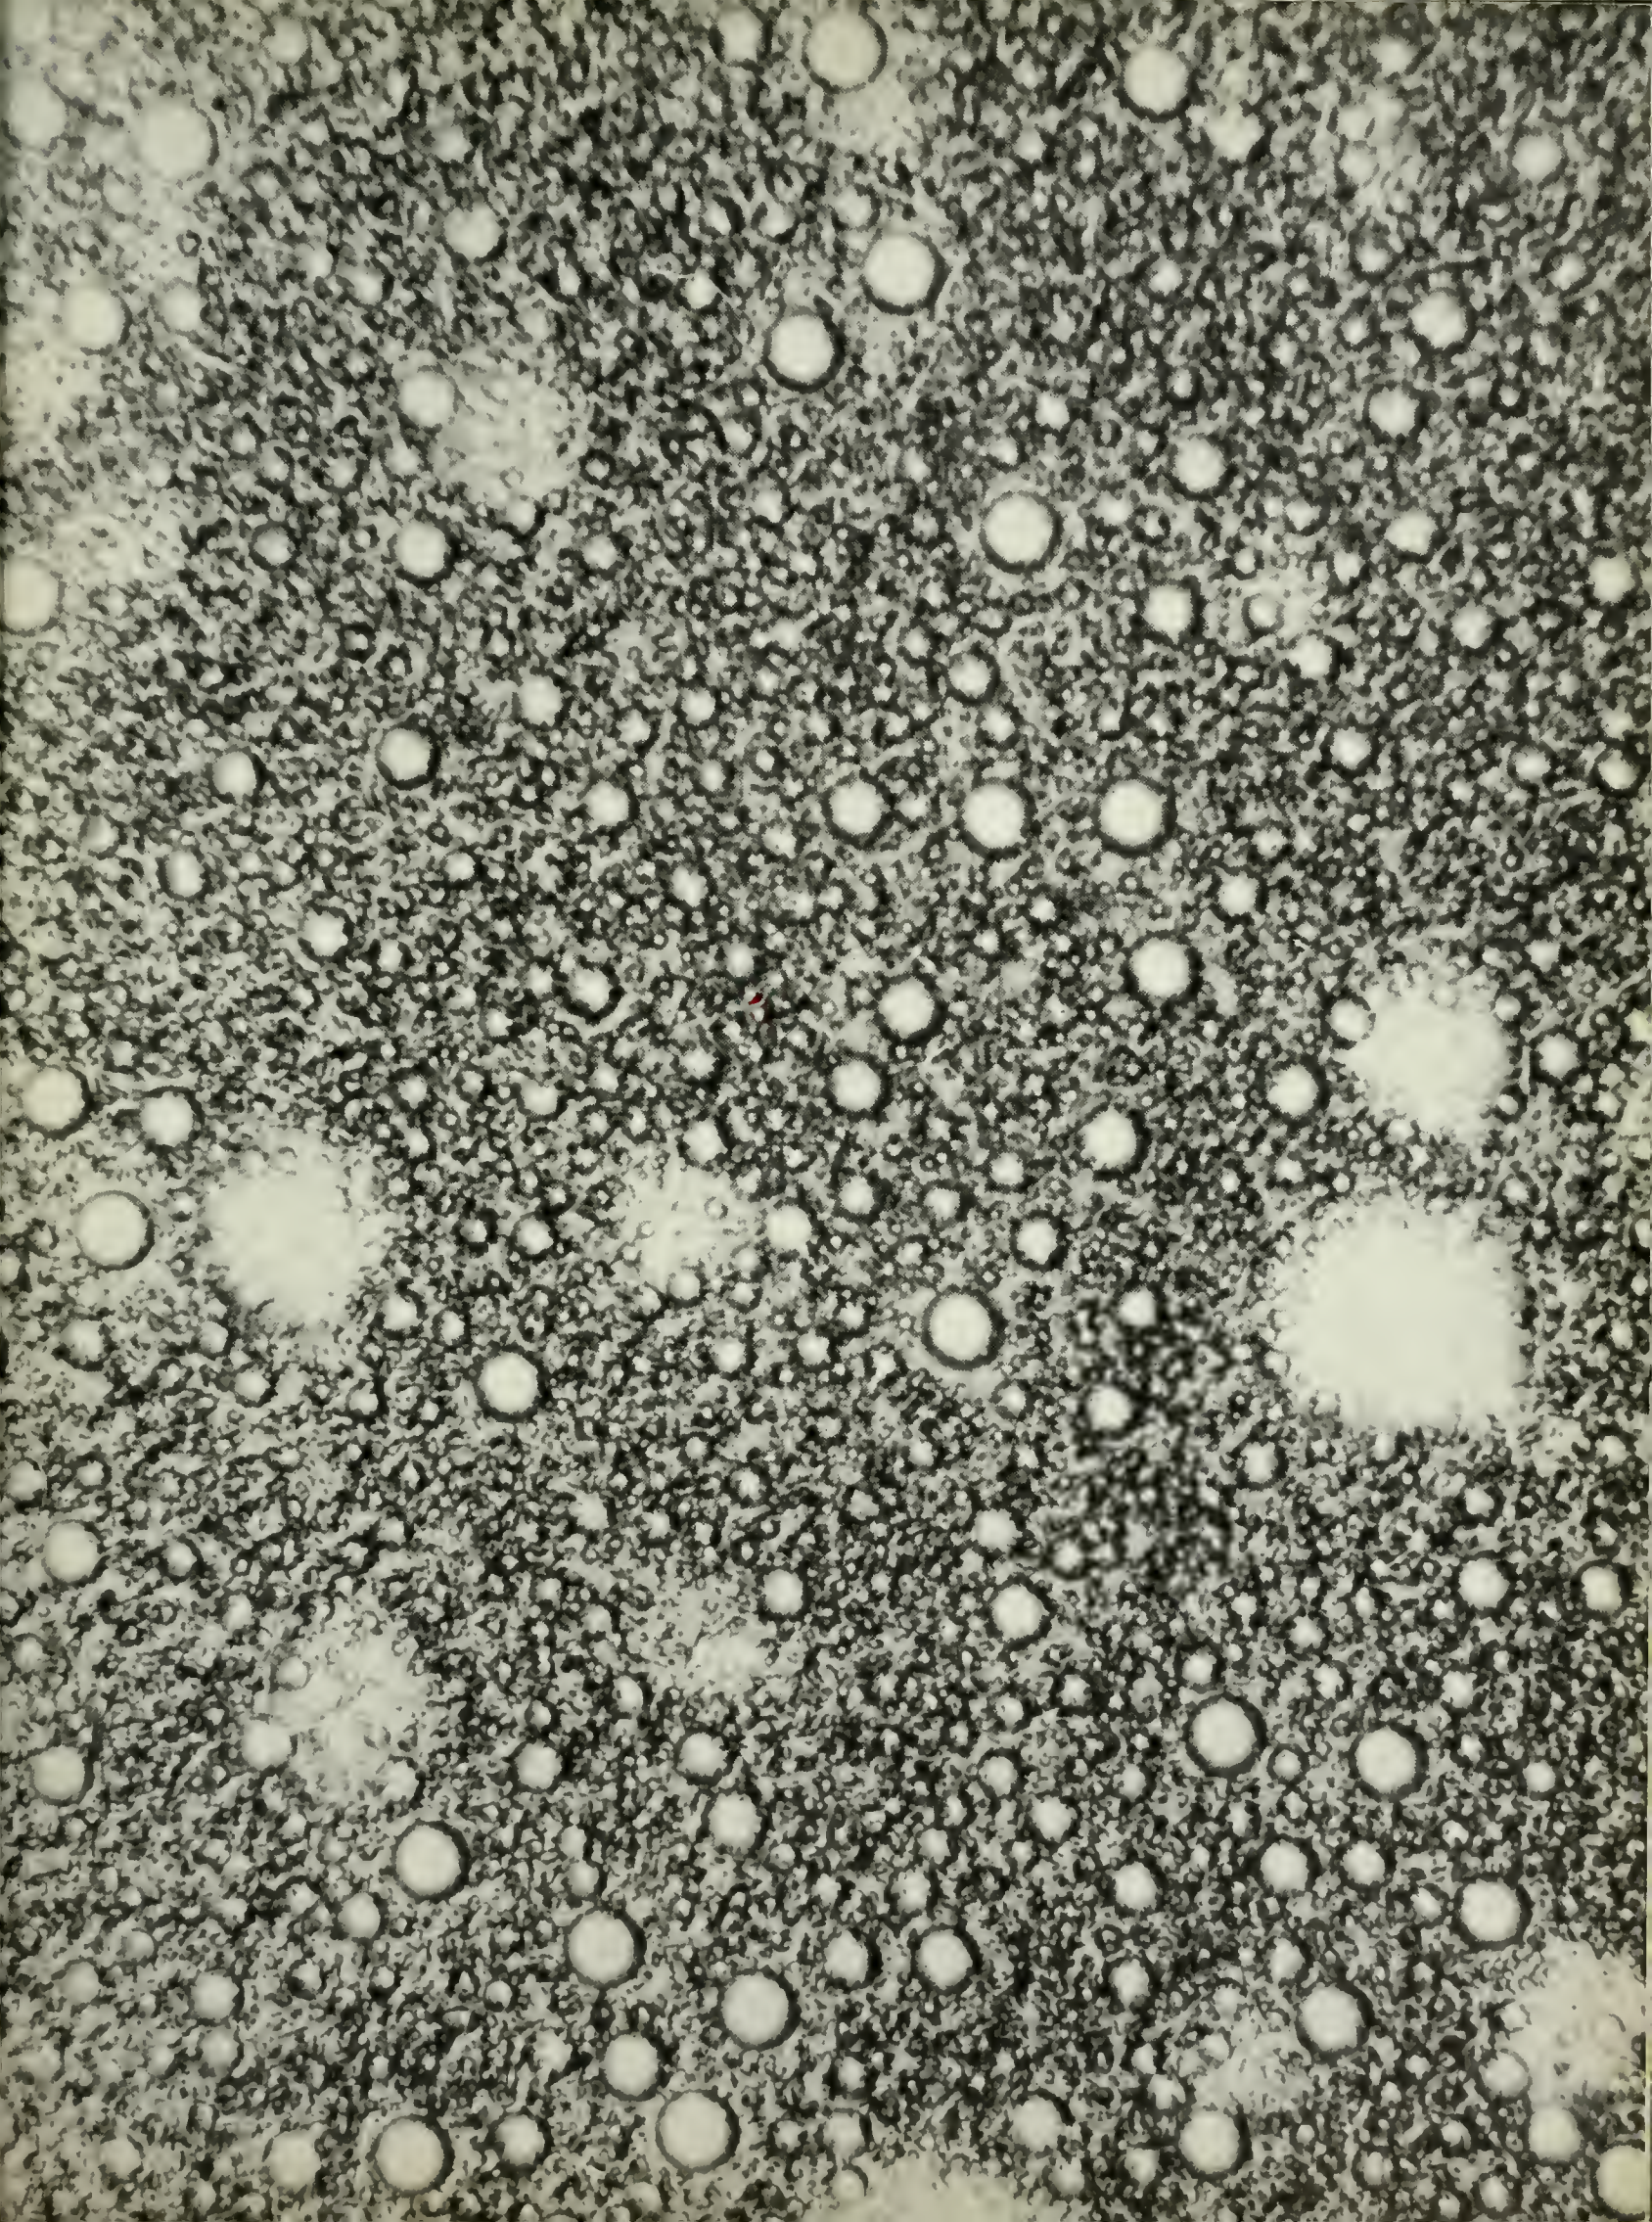

...tranquility.

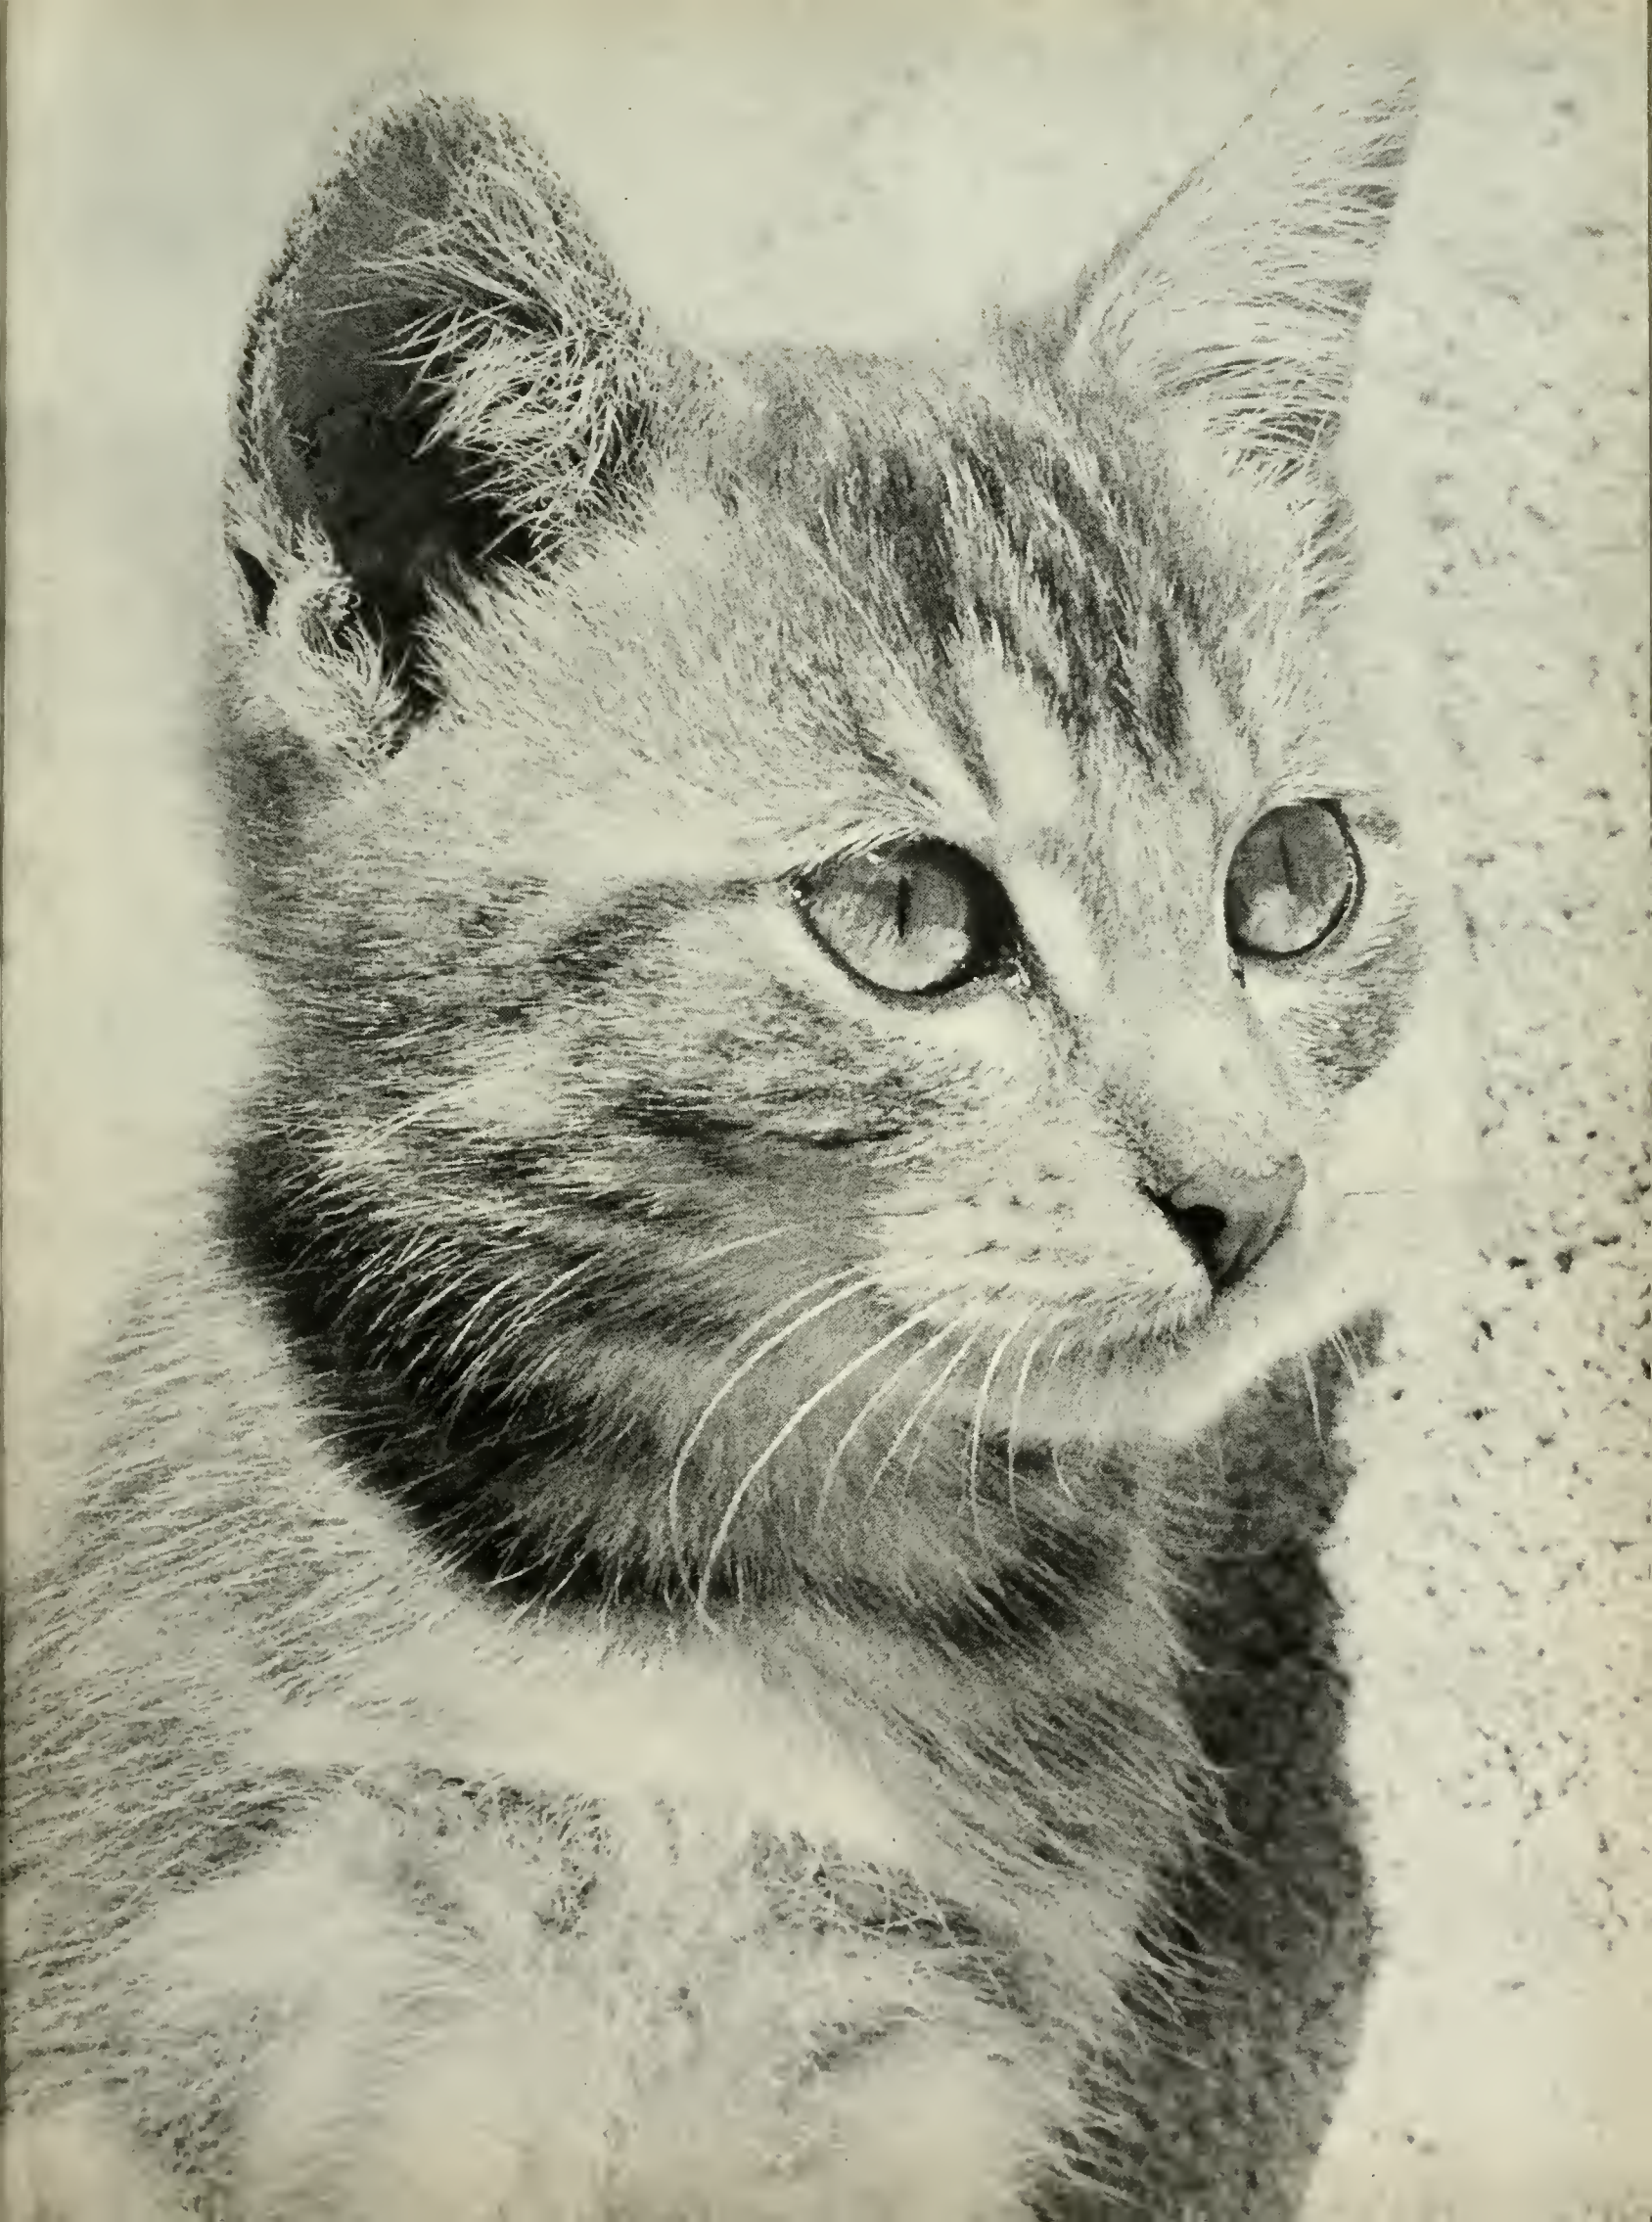

It brings us face to face...

...with the precarious future.

Brian Thair: Arts, Agriculture, Commerce, Education, Home Economics, Law, Pharmacy, Students' Pictures, Administration, and Medicine Divider Pages.

Harold Leece: Theology and Physical Education Divider Pages.

Rick Holden: St. Thomas More, Grad Studies, Vocational Agriculture, Clubs and Organizations, Medicine, and Athletics Divider Pages.

Ian Trawick: Engineering Divider Page.

Beauty Divider Page: A number of sources.

Len Fertuck: Title Page airphoto.

And last but not least: The fotags who stayed up all night towards the dreary end to help me put this book out.

Some of the Photographers insisted that this picture be included in the Greystone at its end, because they thought he wanted nothing more than to get back to his home in Vancouver while he stayed late to finish.

Editor's Note:

Editing a book as large as the Greystone is an often trying, usually tiring, and always interesting job. One cannot help but learn something he didn't know about the people he works with, and about human nature in general. And one cannot help but discover that some people are very reliable and willing to help in any way they can, while others are entirely undependable, and, of course, end up being a great hinderance. I have dealt with both this year, and I thank them all for the chance to meet them. The dependable people have my eternal gratitude, for without them I would have ended the year as a nervous wreck. The other people I thank, and, well, disappointment is a part of life. I hope they never experience it in the same situation I had to face it in.

I cannot end my year as Greystone editor without mentioning the photographers, who are really the only people who make yearbooks possible. Thank you, more than words can express. And, thank you for sticking it out to the bitter end with me.

Jim Wilson
Editor, Greystone 65
